The Scourges of the South? Essays on "The Sickly South" in History, Literature, and Popular Culture Thomas Ærvold Bjerre,Beata Zawadka,2014-10-17

In this book eleven scholars take their stand on the controversial issue of disease as it occurs in the context of the American South Playing on the popular vision of the South as an ill region on several levels the European and American contributors interpret various aspects of the regional sickly culture as not so much southern problems but rather southern opportunities or else springboards to yet another of the South s cultural revitalizations health As Thomas rvold Bjerre and Beata Zawadka note in their introduction the so called Healthy South has never been an easy topic for scholars dealing with the region One reason for this is that researchers have been taught to approach so formulated a topic no further than to the point when it turns out it is a contradiction in terms and indeed there is much in southern history and the present situation that justifies such an approach This volume however comprises a collective effort of southernist historians literature experts and culture critics to transcend the contradictory concept of the Healthy South and does so by reinventing the notion of the southern disease and consequently the role of the South as a scourge in American culture in terms of this culture s bountiful gift

**Monster Culture in the 21st Century** Marina Levina,Diem-My T. Bui,2013-05-23 In the past decade our rapidly changing world faced terrorism global epidemics economic and social strife new communication technologies immigration and climate change to name a few These fears and tensions reflect an evermore interconnected

global environment where increased mobility of people technologies and disease have produced great social political and economical uncertainty The essays in this collection examine how monstrosity has been used to manage these rising fears and tensions Analyzing popular films and televisions shows such as True Blood Twilight Paranormal Activity District 9 Battlestar Galactica and Avatar it argues that monstrous narratives of the past decade have become omnipresent specifically because they represent collective social anxieties over resisting and embracing change in the 21st century The first comprehensive text that uses monstrosity not just as a metaphor for change but rather a necessary condition through which change is lived and experienced in the 21st century this approach introduces a different perspective toward the study of monstrosity in culture    **What Do I Read Next?** Neil Barron,2005-10-21 By identifying similarities in various books this annual selection guide helps readers to independently choose titles of interest published in the last year Each entry describes a separate book listing everything readers need to know to make selections Arranged by author within six genre sections detailed entries provide Title Publisher and publication dateSeriesNames and descriptions of charactersTime period and geographical settingReview citationsStory typesBrief plot summarySelected other books by the authorSimilar books by different authorsAuthor title series character name character description time period geographic setting and genre sub genre indexes are included to facilitate research    **Definitely Dead** Charlaine Harris,2006-05-02 Supernaturally gifted waitress Sookie Stackhouse is pitted against the legacy of her own undead bloodline in this novel in the 1 New York Times bestselling series the inspiration for the HBO original series True Blood Since Louisiana cocktail waitress Sookie Stackhouse has so few living relatives she hates to lose one even her cousin Hadley undead consort of the vampire queen of New Orleans Hadley s left everything she had to Sookie but claiming that inheritance has a high risk factor Some people don t want her looking too deeply into Hadley s past or Hadley s possessions And they re prepared to do anything in their power to stop her

**Proteus** ,2009    **Deadlocked** Charlaine Harris,2013 With Felipe de Castro the Vampire King of Louisiana in town it s the worst possible time for a body to show up in Eric Northman s front yardNespecially the body of a woman whose blood he just drank    **Dead and Gone** Charlaine Harris,2010-04-06 The werewolves and shifters come out of the closet and throw the small town of Bon Temps into a tailspin in the ninth novel in the 1 New York Times bestselling Sookie Stackhouse series the inspiration for the HBO original series True Blood Except for cocktail waitress Sookie Stackhouse folks in Bon Temps Louisiana knew little about vamps and nothing about Weres Until now The Weres and shifters have finally revealed their existence to the ordinary world and the backlash may have claimed the life of someone Sookie knew But her determination to find out who is responsible for the murder is put aside in the face of a far greater danger A race of unhuman beings older more powerful and more secretive than vampires or werewolves is preparing for war And Sookie will find herself an all too human pawn in their battle
