Wild Reckless Ginger Scott, 2015-03-17 Kensington Worth had a vision for her senior year It involved her best friends her posh private school in downtown Chicago and time alone with her piano until her audition was perfected a guaranteed ticket into the best music programs in the world Instead a nightmare took over It didn't happen all at once but her life unraveled quickly a tiny thread that evil somehow kept pulling until everything precious was taken from her She was suddenly living miles away from her old life trapped in an existence she didn't choose one determined to destroy her from the inside leaving only hate and anger behind It didn't help that her neighbor the one whose eyes held danger was enjoying every second of her fall Owen Harper was trouble his heart wild and his past the kind that's spoken about in whispers And somehow his path was always intertwined with Kensington's every interaction crushing her ruining her hope for any future better than her now Sometimes though what everyone warns is trouble is exactly what the heart needs Owen Harper was consumed with darkness and it held onto his soul for years When Kensington looked at him she saw a boy who'd gotten good at taking others down when they threatened his carefully balanced life But the more she looked the more she saw other things too good things things to admire Things to love Things that made her want to be reckless And those things they were the scariest of all

Summary of Reminders of Him Alexander Cooper, 2023-01-16 Reminders of Him A Comprehensive Summary Reminders of Him by Colleen Hoover was as of late conveyed and I understand there's been a lot of energy among her fans around the appearance of her freshest book What's more it's free on Kindle Unlimited to seek after a free starter Ensuing to getting Verity I didn't know whether her books were really a solid match for me but I've been in the disposition for some feeling as of late so I regularly Hoover's latest conveyance was on my radar I similarly comprehended that Verity was a more prominent measure of faint opinion which isn't really what I'm into which is perhaps why I didn't see the value in it Assists with recalling that Him seemed like it might be considerably more a misfortune and perhaps a bit sure which I understood I'd will undoubtedly bounce on board with In Reminders of Him Kenna has actually gotten away from prison for a heavy drinker driving disaster that achieved her darling Scotty's passing After the incident she'd learned she was pregnant and had gone to prison in a split second some time later By and by following five years she returns to town needing to see her young lady yet she ends up associating with Scotty's dearest friend who she hadn't met before then The contracted type of this review is that this book is a fair type of unequivocally the sort of book it's meaning to be Thusly if you want a misfortune y feeling you'll no doubt genuinely it A more extended out variation of this is to say that my overall impressions of this were all things considered sure Basically I found the central ardent plotline in it to be sweet and convincing I partook in that there was an incredible development to their relationship which felt sensible It helps that the piece and pacing are both solid which you'd expect from a pre-arranged maker like Hoover Exactly when I at first read the explanation I was a little stressed that this book would be all things considered a grouch and I think it successfully could've transformed into a semi-putting story in

some unsuitable hands down In any case Hoover really buckles down of managing the tone of the novel so it feels energetic yet completely not exorbitantly troubled The male saint is an all around traditional ardent legend but I liked that the principal individual of Kenna had a charming sensation of character which helped me with appreciating and root for their relationship Kenna is depicted as someone with a deplorable puberty achieving being someone in her more young years who wasn't really set up dressed somewhat provocatively and wasn't the sort of individual watchmen required their youngster to get back I adored her deformities and it made the story feel fairly more real to me Here is a Preview of What You Will Get A Detailed Introduction A Comprehensive Chapter by Chapter Summary Etc Get a copy of this summary and learn about the book

The Harper Boys Duet Ginger Scott, 2020-11-11 You know what they say about those Harper boys they're wild You can now read the award winning Harper Boys duet in a box set Book 1 Wild Reckless Kensington Worth had a vision for her senior year It involved her best friends her posh private school in downtown Chicago and time alone with her piano until her audition was perfected a guaranteed ticket into the best music programs in the world Instead a nightmare took over It didn't happen all at once but her life unraveled quickly a tiny thread that evil somehow kept pulling until everything precious was taken from her She was suddenly living miles away from her old life trapped in an existence she didn't choose one determined to destroy her from the inside leaving only hate and anger behind It didn't help that her neighbor the one whose eyes held danger was enjoying every second of her fall Owen Harper was trouble his heart wild and his past the kind that's spoken about in whispers And somehow his path was always intertwined with Kensington's every interaction crushing her ruining her hope for any future better than her now Sometimes though what everyone warns is trouble is exactly what the heart needs Owen Harper was consumed with darkness and it held onto his soul for years When Kensington looked at him she saw a boy who'd gotten good at taking others down when they threatened his carefully balanced life But the more she looked the more she saw other things too good things things to admire Things to love Things that made her want to be reckless And those things they were the scariest of all Book 2 Wicked Restless Andrew Harper grew up in a house marked by tragedy His older brother Owen did his best to shelter him but you can only be protected from life's pain for so long Eventually you end up just feeling numb and isolated Loneliness was the one constant in Andrew's life Until one girl met by chance in a high school hallway changed everything Emma Burke was a mystery and all that was beautiful in this world the only air Andrew ever wanted to breathe She took the lonely away and filled it with hope and color and Andrew would do anything to keep her safe happy and whole But sometimes what feels good and right is what ends up hurting us the most And when Andrew and Emma are faced with an impossible decision Andrew is tested to see just how far he's willing to go for the girl who owns his heart Cuts are deep Scars are left behind And revenge beckons When Andrew finally gets his chance in college five years after his first love broke him completely he finds out old feelings don't really disappear just because you say you hate someone The more he tries to avenge all that he believes he lost the more he uncovers the real story of what
