## Netflix On Sale:

**Netflix's Speculative Fictions** Colin Jon Mark Crawford, 2020-12-10 Netflix's Speculative Fictions Financializing Platform Television argues that Netflix's scaled expansion has hinged upon its ability not only to create but more importantly to communicate new forms and flows of potential value in platform capitalism wherein capital is mobilized not only from direct revenue streams but also the new value assigned to inputs and investments of data debt attention behavior taste time sociality and speculation To interpret and critique these new communications and projections of value Colin Jon Mark Crawford performs a discursive analysis of the platform television industry leader Netflix and its investor lore the multi-sited narrative of value found in the company's investor relations materials and corporate communications such as letters to shareholders financial earnings reports executive interviews press releases and blog posts Netflix best represents the increasingly ubiquitous nexus of culture tech and finance industries that is platform television To better understand the emergent financial logics of this relatively new media industry we must first understand the speculative narratives and discourses of value which organize it Scholars of media studies television studies technology studies and economics will find this book particularly useful

**FCC Record** United States. Federal Communications Commission, 2016 *Supply Chain Management* Dr. Nitin Junnarkar, Dr. Muppavaram Gowri Shankar, Dr. P. Muralidharan, *Retail Innovation Reframed* Gareth Jude, Andrew Smith, 2021-03-03 Retail is defined by disruption companies either adapt or are replaced by those that will More so than ever learning how to reframe your business apply change and stay innovative is key to continued success and survival Innovation is hard for any organization even more so for retailers where executing retail basics can often be seen as enough But the difference between success and failure is increasingly becoming the ability to reframe your approach to innovation and use it to win the competitive edge as Retail Innovation Reframed explains Changing your business operations to solve customers biggest challenges is how established household names and emerging businesses now thrive Featuring case studies including Walmart Warby Parker Starbucks and Amazon Retail Innovation Reframed demonstrates how to weave innovation into the operating fabric your company to remain ahead of the curve Start your journey to innovation and learn how to use change to succeed Online resources include templates for testing and analyzing new innovations

**Business Planning and Market Strategy** E.K. Valentin, 2014-03-20 Business Planning and Market Strategy offers students entrepreneurs and executives penetrating insights into developing business plans and market strategies that bolster the odds of succeeding in today's highly competitive marketplace Rather than reduce the planning process to mechanistic step by step instructions which promote thinking inside the box author E K Valentin provides practical planning guidelines that encourage creative strategic problem solving Drawing on both his business experience and the business literature he explains not only what entrepreneurs and executives should look at when pondering plans and strategies but also what they should look for The book's unique applied perspective sets Business Planning Market Strategy apart from

conventional how to planning guides      **Franchise Era** Fleury James Fleury, 2019-04-01 As Hollywood shifts towards the digital era the role of the media franchise has become more prominent This edited collection from a range of international scholars argues that the franchise is now an integral element of American media culture As such the collection explores the production distribution and marketing of franchises as a historical form of media making analysing the complex industrial practice of managing franchises across interconnected online platforms Examining how traditional media incumbents like studios and networks have responded to the rise of new entrants from the technology sector such as Facebook Apple Amazon Netflix and Google the authors take a critical look at the way new and old industrial logics collide in an increasingly fragmented and consolidated mediascape      **Marketing** Gary M. Armstrong, Philip Kotler, 2007 How do we get you moving By placing you the customer in the driver s seat Marketing introduces the leading marketing thinking on how customer value is the driving force behind every marketing strategy Fasten your seatbelt Your learning journey starts here [www.prenhall.com/kotler](http://www.prenhall.com/kotler)      **Mktg** Charles W. Lamb, 2008      **The Hollywood Reporter** , 2008      *The Deal* , 2010-07      *Screen Digest* , 2006      **Lamb, Hair, McDaniel, MKTG.** , 2008      Growth in the Age of Complexity: Steering Your Company to Innovation, Productivity, and Profits in the New Era of Competition Andrei Perumal, Stephen A. Wilson, 2017-12-01 A new lens on growth and a critical set of strategies for navigating a complex world Growth is rarely in a straight line It is tempting to think otherwise particularly when looking in the rear view mirror but anyone faced with plotting the coordinates for a company s growth knows the fallacy of this notion As much as we like to think of corporate leaders executing sure fire growth strategies the truth is far messier it s more an act of exploration and discovery than a step by step process In *Growth in the Age of Complexity* the authors describe in detail how complexity has impacted businesses and the markets in which they compete and the strategies mindsets and skillsets required to grow profitably New strategies are required to navigate the Sirens of Growth the growth plans borne of Industrial Age mindsets that too frequently lead to complexity vs scale In addition companies need to develop an Explorer s Mindset and a Navigator s Skillset to sustain performance You ll discover how to Assess where you re truly making money Reignite your core products and services to drive growth Incorporate experimentation as a key way to discover new opportunities Create an operating model for scale location and replication Identify new markets where you are positioned to win Understand the fundamentals for executing in a distributed organization This book is an invaluable tool for achieving growth and maintaining a competitive advantage in virtually any business      **Broadcasting & Cable** , 2008-05      Management Information Systems James A.
