The young adult and teen demographics seem to be the most attracted to it. TikTok is a popular social media app with over 12 million daily users because it allows users to easily make and share short videos in a variety of formats with their friends, family and followers. Affiliate marketers can benefit from the platform because it facilitates the creation of shareable, interesting content. Marketers can increase the number of views their videos receive on TikTok by using trending hashtags related to their products and services. You don't need to wait to be accepted as a content creator on TikTok in order to start earning money with the app. TikTok's Content Creator Fund is only available to those who match certain criteria.
