The Myth of Chinese Capitalism Dexter Roberts,2020-03-10

The vivid provocative untold story of how restrictive policies are preventing China from becoming the world's largest economy

Evan Osnos Dexter Roberts lived in Beijing for two decades working as a reporter on economics business and politics for

Bloomberg Businessweek In The Myth of Chinese Capitalism Roberts explores the reality behind today's financially

ascendant China and pulls the curtain back on how the Chinese manufacturing machine is actually powered He focuses on

two places the village of Binhuacun in the province of Guizhou one of China's poorest regions that sends the highest

proportion of its youth away to become migrants and Dongguan China's most infamous factory town located in Guangdong

home to both the largest number of migrant workers and the country's biggest manufacturing base Within these two towns

and the people that move between them Roberts focuses on the story of the Mo family former farmers turned migrant

workers who are struggling to make a living in a fast changing country that relegates one half of its people to second class

status via household registration land tenure policies and inequality in education and health care systems In The Myth of

Chinese Capitalism Dexter Roberts brings to life the problems that China and its people face today as they attempt to

overcome a divisive system that poses a serious challenge to the country's future development In so doing Roberts paints a

boots on the ground cautionary picture of China for a world now held in its financial thrall Praise for The Myth of Chinese

Capitalism A gimlet eyed look at an economic miracle that may not be so miraculous after all Kirkus Reviews A clearheaded

and persuasive counter narrative to the notion that the Chinese economic model is set to take over the world Readers looking

for an informed and nuanced perspective on modern China will find it here Publishers Weekly A sophisticated and readable

take of China's triumphs and crises A first hand witness to China's transformation over the past quarter century Roberts

credibly challenges the myth of China's inevitable rise and global dominance Ian Johnson Pulitzer Prize winning author and

Beijing based correspondent A potent mix of personal stories and deft analysis The Myth of Chinese Capitalism takes a hard

look at China's migrants and rural people Mei Fong Pulitzer Prize winning journalist and author of One Child The Story of

China's Most Radical Experiment **The Palgrave Geopolitical Atlas** Brian C. H. Fong,2025-12-11

The Palgrave Geopolitical Atlas State and Quasi State Actors in Great Power Competition is a comprehensive authoritative survey of the

twenty first century global politics Going beyond the traditional state centric in the international relations discipline this

book re orients both states and quasi states as critical geopolitical actors This book challenges the state centric in orthodox

international relations scholarship Advancing a post sovereign lens this book re imagines a global geopolitical map that

features different types of states and quasi states By doing so this book transcends the mainstream great power small state

framework in geopolitical studies and advances a novel agenda for investigating the interaction of states and quasi states in

global politics It guides readers to interpret the twenty first century global geopolitical map through a post sovereign lens

This book will be an essential reference for international relations scholars and students around the world It will also appeal

to global policy makers and practitioners who are observing the dynamics of contemporary great power competition **The Business of Aspiration** Ana Andjelic,2020-10-26 The Business of Aspiration is about how consumers shifting status symbols affect business and brand strategy These changing status symbols like taste aesthetic innovation curation or environmentalism create the modern aspirational economy In the traditional economy consumers signaled their status through collecting commodities Instagram followers airline miles and busy back to back schedules By contrast in the aspirational economy consumers increasingly convey status through collecting knowledge taste micro communities and influence This new capital changes the way businesses and entire markets operate and yet the modern aspirational economy is still an under explored area in business and culture The Business of Aspiration changes that In this book marketers will find examples analyses and tools on how brands can successfully grow in the modern aspirational economy The Business of Aspiration answers questions like what is good for my brand long term how is this business decision going to impact our culture or what are the main objectives of our growth Marketers will learn to shift their brand narrative and competitive strategy to create and distribute new brand symbols and to ensure that their brand s products and services create both monetary and social value

Decoding Branding Royce Yuen,2021-05-31 Decoding Branding explains the evolution of branding and how the disrupting factors like digital revolution technological advancement changing consumer behavior and the COVID 19 pandemic have reshaped the marketing landscape Fundamental principles of fostering strong brands are distilled with illustrations of case studies from various industries A structured and holistic framework to building and revamping brands is clearly presented for corporations to remain competitive in this constantly changing operating environment Interviews with branding experts and corporate leaders are featured at the end of each chapter to allow readers to obtain a complete appreciation of brand development from different perspectives
