Sustainable Marketing Paul Randle,Alexis Eyre,2023-12-03 SHORTLISTED Business Book Awards 2024 Sales Marketing Becoming a sustainable marketer is no longer an optional extra Sustainability has become a necessity for the future but do you feel confident delivering on this for your clients and customers Sustainable Marketing is a blueprint for embedding sustainability at the heart of marketing Exposing the disturbing reality of marketing s current relationship with many of our environmental and societal problems it challenges the traditional role of marketing its cultural norms and gross

inefficiency. It goes on to present a compelling vision for change and a practical guide for marketing professionals equipping them with the mindset and tools to transform their daily work and the industry as a whole into a force for good. This is the perfect guide for marketing and sustainability professionals working through their company's sustainable transformation whilst trying to avoid the pitfalls of greenwashing and carbon myopia. Written by experts who apply their unique framework to the issue, this book takes what may feel like an insurmountable challenge and breaks it down giving in-depth advice and providing real world success stories from companies of all sizes including Tony's Chocolonely, The Onlii and AkzoNobel.

Digital Economy Report 2024 United Nations Conference on Trade and Development (UNCTAD), 2024-07-10 The Digital Economy Report 2024 turns the attention to the environmental footprint of digitalization. The Report discusses environmental impacts along the life cycle of digital devices and information and communications technology infrastructure with regard to raw material extraction and processing, manufacturing, distribution, use and the end of life phase. The direct effects on natural resources including transition minerals, energy and water as well as greenhouse gas emissions and waste related pollution can be said to constitute the environmental footprint of the ICT sector. There are also indirect environmental effects from the use of digital technologies and services in different sectors of the economy and the Report includes a dedicated chapter on e-commerce. The report underlines the need to maximize the positive impact of digitalization while minimizing the negative impacts on environmental sustainability.
