Social Commerce (deutsch) Paul Marsden, 2010-03-19 Scientific Essay from the year 2010 in the subject Communications, Public Relations, Advertising, Marketing, Social Media language English abstract: How can brands and retailers make money from social media? Social Commerce: the fusion of social media with e-commerce may just be the solution. With the mainstreaming of social networks, brands are establishing storefronts on Facebook, tweeting deals on Twitter, linking to social shopping sites and integrating social media tools into their e-commerce platforms. And they are seeing impressive returns. With insights from consumer psychology and the experience of brands including Adidas, Apple, Burberry and Levi's, the white paper Social Commerce: Monetizing Social Media by Dr. Paul Marsden, social media strategist of Syzygy Group, provides an introduction to the emerging trends of social commerce and social shopping: what they are, how they work and why they should be part of your digital marketing strategy.

Facebook E-Commerce Mastery: Learn the Secrets to Take Your Business to the Next Level Using the Power of Facebook.

Facebook is making a major new push into e-commerce from their marketplace program as many businesses are creating and strengthening their digital presence. Facebook has built new tools to help make online shopping seamless with Facebook Shops. The idea behind Facebook Shops is to bring millions of small businesses online who have had to close their stores due to the coronavirus pandemic. And while every business, both big and small, can benefit from this Facebook Shops is

especially valuable to small businesses. That's because Shops are free and easy to create fast and most importantly they're integrated across Facebook's many apps meaning once you set up your shop it's going to be available on your Facebook Page and your Instagram profile and accessible from stories and ads. Clearly the results are stating that Facebook shops will be an exciting feature for businesses to explore. Luckily the new feature has opened tons of opportunities for businesses to explore Facebook marketing. Owning a Facebook Shop allows you to sell directly from your Facebook shop page by accepting payment through your eCommerce website. And if you have a good number of Facebook followers then your Facebook shop can turn your followers into customers. In simple words adding a Facebook shop can improve the effectiveness of your marketing. And to put this further into perspective let's take a look at a few stats. 18.3% of U.S. adults made a purchase through Facebook in the last year. Two thirds of Facebook users visit a local business Page at least once a week. Facebook has an advertising audience of 2.14 billion. Facebook earned 55 billion in Advertising Revenue. Mostly Coming from Mobile. 48.5% of B2B decision makers use Facebook for research. Square Facebook videos get 35% more views than landscape videos. Approximately 15% of Facebook users shop on the platform second only to Pinterest users of whom 47% shop. 66% of Facebook users either like or follow a brand page. That is great news for businesses that want to survive and thrive despite the challenging economic conditions. So here we are with our Awesome course Facebook E Commerce Mastery Training Guide. This guide will discuss why Facebook E Commerce Mastery is important for your business as well as the process of start selling on Facebook Shops and all the answers about utilizing this platform.
