## College Tuition Tips

1.

Apply for financial aid no matter what your circumstances. Scholarships and grants can only be awarded if the applicant has submitted financial aid application forms.

Take your time and don't rule out any school as too expensive. A generous aid award from a private public school can make it less costly than a public school with a lower sticker price.

4.

Look for scholarships locally. Find out if your employer offers a scholarship or tuition assistance plans for employees or family members. Also look into scholarships through your church, community, or—if you're part of one—religious organization.

2.

Never put tuition on a credit card. The debt is more expensive than ever given current economic conditions. Interest rates and other fees some credit card issuers are now charging.
