Barton, 2016-07-25 Nikki Neal was damn good at her job As an undercover cop she had just about enough information to put the local crime boss away but she needed more to make it stick But when someone blew her cover Nikki found herself on the wrong end of several guns Aedan Harrison was on the fast track to winning the Governor s seat for the state of Ohio He had his whole life or at least his immediate future planned out What he didn t need was a mate he hadn t made plans for throwing a monkey wrench into the mix The last thing Nikki needed was an overbearing jackass ordering her about and telling her how much he didn t need her in his life right now Well she didn t need him either She had work to do and needed to get herself and her grandda to safety It didn t take long for Aedan s family to convince him of the error of his ways and when he saw what he d done he felt like an ass All he wanted to do was make it right but could he grovel enough for her to accept him Rembrandt Kathi S. Barton, 2015-01-09 1800 years ago It was time for him to die Rembrandt was ready He had put up a good fight and nearly died twice that day but now he was done and he was ready to die on the battlefield with the rest of his brethren Death would be merciful He would finally be with his wife and children A being clad in black had other ideas Rembrandt was meant to help him fight his cause and to help right a wrong that his kind had brought to this world He gifted the reluctant Rembrandt with a taste for blood and immortality and more so much more Back to the present Rembrandt had had enough He was over this life 1800 years ago and now he was just sick of it The creatures he fought the malefactors kept growing in numbers and he couldn t kill them fast enough to keep up He had fought the battle alone all these years and he wasn t sure he even wanted to anymore Skylar Manning was just trying to be nice The mysterious man dressed in black was hanging around after closing again It was the third time this week Only this time he grabbed her arm Her world changed forever Suddenly she found herself hunted by shadowy figures with razor sharp teeth and into the arms of a warrior who craved her as much as

she did him      *Boyd* Kathi S. Barton, 2018-05-28 Boyd lost his mate before he'd really found her. He found her in college but his studies were important too. He figured he'd have plenty of time to meet her after his exams. But a tragic car accident robbed him of his future before it had begun. At least that is what he had always believed. Reilly was just trying to make ends meet. She wanted to get through the day with her slimy boss keeping his hands to himself. But when she got the call from the hospital that her dad had been in an accident, she had to go. Her boss had other ideas. The pileup on the freeway had Boyd working overtime. All the injured had been coming into the hospital in droves. He had treated so many patients that he was just exhausted. When he stepped out for a breather, he saw her. She was the sexiest woman he'd ever seen and when he approached her, her scent had his senses in a whirl and his cat reacted. The word mate flashed through his mind. But that couldn't be right. It had to be lack of sleep making him think that.

James Kathi S. Barton, 2014-01-24 A Woman Driven By Guilt. Mechanic by day, hunter by night. Gab Parker is no stranger to the supernatural world. Nicknamed the Silver Queen by those she hunts, Gab in turn finds herself the hunted. Riddled by guilt because of the death of her brother, she hunts the species she holds responsible: vampires. A Wolf on a Mission. James Burger is an enforcer for Samuel Payne's Pride. Jimmy has no intention of finding a mate ever. But when he finds this beautiful mechanic, a human no less bleeding to death, his wolf kicks in to save her. She has no scent, but he's pretty sure she's his mate. His plan: To save her, then stay as far away from her as he can. Gab isn't any happier to find out she has a mate than Jimmy is. She's a loner and just wants everyone to leave her alone. However, Stephen and Samuel have other ideas. Thrown together, Gab and Jimmy have to work out their issues. And after one taste of her, Jimmy is warming up to the idea. Maybe this mate thing isn't so bad after all. That is until he accidentally converts her to a wolf without her permission. With the hunter now the hunted, they turn up the heat when Jimmy joins her. Some very powerful beings are after the elusive Silver Queen. When they kidnap Samuel as bait, all bets are off. Things are never as they seem, and the supernatural world has big plans for Gab. But the mental link everyone has with Samuel is blocked. Will they find him before the vampires sacrifice him, or will Gab just be walking into a trap? Find out in the 2nd installment of the Samuel's Pride Series. James

**Thatcher** Kathi S. Barton, 2019-01-21 A fresh start was what Rogan Hall needed. A small town out of the way where no one knew her or her brother was where they'd start over. She worked from home and they kept to themselves. The only thing Rogan couldn't give up was her early morning run. Like clockwork, she ran every morning, and again like clockwork, the same family would pass her on the country road heading to who knew where. The little boy in the back seat would wave at her with such enthusiasm it made her heart melt. However, that morning everything would change. Only moments after the car passed her and drove around the bend, she heard a loud commotion. Another car barreled past her, and she found the quaint family's car overturned and on fire. Rogan did the only thing she could do: she saved them. Thatcher Robinson was on duty at the hospital when his parents contacted him through their link and told him about the accident and what to expect when the ambulance arrived. Thatcher's dad told him they had to save the woman by

changing her but her burns were severe and his dad wasn't sure that the new tiger would survive When Rogan regained consciousness she was unsure where she was but she knew she was different She could feel the tiger move just beneath her skin Rogan knew very little about shifters but what she did know had her cringing Why someone would take it upon themselves to change her she didn't know but when the young doctor Dawson said his brother was her mate she was furious If the big bad Thatcher thought he was going to order her around he had another thing coming **Jarrett** Kathi S.
