**Gunner** Kathi S. Barton, 2021-01-12

It would take Hodge time to get used to Gunner's family. She'd used a little magic to help Raven deliver her twins without any pain. The Bishops were crowding her wanting answers. Hodge wasn't ready to give. She was a loner and all these people around her would take some getting used to. Gunner felt the same way and told his family to just go home. His mom wasn't too happy about that. To the world, Gunner was retired from his service with the military but he was too good at his job to just stop. Someone had placed a price on Gunner's head. He just had to figure out who they'd come close once but Hodge had sensed the threat and took care of it. But more attempts were inevitable. Would Hodge be able to intervene the next time?

Jace Kathi S. Barton, 2015-05-01 The Double Deuce Ranch is in trouble. The taxes have tripled over the years and the repair bills and cost of supplies are more than the Douglas men can scrape together to save the ranch. Short of a miracle, they are on the street. Holly Snow has already bought four ranches this month, saving them from the greedy banker. She'll save the Double Deuce too if Georgie Douglas will let her. Something underhanded is driving all the ranches into foreclosure and she is determined to get to the bottom of it. To her, money is no object. Jace Douglas knows from the moment he sees Holly in that jail cell, beaten but proud that she is his mate. His cat wants to claim his mate but he doesn't have two nickels to rub together. There is no way he is taking her for a mate. He can't afford her. He is out of her league. Fate, however, has other ideas and money, although a huge factor, never is the issue between them. Jace likes to play a little rough. And Holly might be of a mind to just play along. Hunter Kathi S. Barton, 2014-07-25 Hunter Emerson and his brothers answered the request of a pack looking for a new Alpha and moved to Summersville. Since they were all Alphas, Hunter didn't have a clue that he was the new Alpha until he arrived. It didn't sit well with him at all that a woman on pack land held herself in recluse and wouldn't answer and pledge herself to the new Alpha. What she could be doing there on that big estate with no one around to witness. His mind reeled with the possibilities, none of them good. Slone Morris had an understanding with the local pack, leave her alone and she'd let the pack stay on her land free of charge. It was as simple as that. She didn't deal well with people. But the new Alpha in town wouldn't take Fuck off for an answer. Slone's past threatened to rear its ugly head at every turn. There was one someone she thought she trusted who didn't want the past dredged back up. He was determined to stop her at all cost.
