installment of *The Bowen Boys* **A Forbidden Alchemy** Stacey McEwan, 2025-07-03 Australian BookTok star Stacey McEwan's stunning new slow burn romantasy duology traces a fated pair who stumble upon a world-changing secret in youth and are catapulted into a violent class war in adulthood finding each other amidst love, loss, and devastating betrayals. Nina Harrow and Patrick Colson first meet in adolescence, brought in from their disenfranchised mining towns to glittering Belavere City to be tested for magical abilities. Those who pass will train to become Artisans, wielding powerful elemental magic to carry out Belavere's greatest ambitions. Nina wants nothing more than to escape her circumstances and attend the Artisan School, while Patrick only wants to return home to his family of Craftsmen, who use their extraordinary physical strength in the idium mines that keep Belavere running. The two accidentally discover a devastating secret: that Artisans are not born but chosen. They part ways without telling another soul. In the years that follow, a Craftsman revolution begins, and the two find themselves on opposite sides of a brewing war. Nina, now an elite Artisan with the extremely rare ability to charm earth, soon abdicates the fight, entirely devastated by the loss of her found family. She has long become accustomed to life on the run when she is captured by Patrick's rebellion contingent. It turns out he has far from forgotten her, and he asks for her help in a mission that will change the tides against Belavere City. She reluctantly agrees, struggling to ignore the sparks between them. But when Nina's first love reappears, asking her to betray Patrick and spy on his cause for the Artisans, she must decide whether her loyalties lie with the order that raised her or the one person she knows she can trust. *F. L. Wasselwick's Return of the Golden Turtle* K. L. Malmquist, 2010 The initial comments are in. From the very first sentence to the very last, this book will spark your imagination; it is impossible to put down. Readers have been commenting: "This story is so clear and well-presented; it is like watching a movie." Are you sure this is fiction, or did this really happen? They smile, and then a look of concern falls across their face. What is going to happen with Kate and Bobby? Tell me, you just have to tell me. I laugh. It is only I who knows that secret. If you have ever been mesmerized as you gazed across the water, wondering if there is something out there, perhaps another world, perhaps a spiritual world, this one was written for you. Part I of a trilogy, this book is filled with love and adventure. It entertains both men and women, testing what we are taught about the afterlife. The author's intention is to entice you to fall in love with Kate and Bobby, the two main characters. Just as it happens in true life, their lives are filled with moments of success and tender pleasure, with challenges and failure, with heartache, and the ever-present unexpected twist and turn. Indulge, fall in love, and then... Part II: *The Unraveling*. The story of Kate and Bobby will be out by Christmas 2010. It is the ultimate compliment when a reader says, "Wow, where did that story come from?" For the longest time, this book was my cherished treasure, and now I want to share it with you. Click the mouse, entice your imagination with F. L. Wasselwick's *Return of the Golden Turtle*. And then look to the future; you will be captivated by *The Unraveling*, as poor, sweet, innocent Kate. Oh, I wish I could tell you. 2011 Part III: that's the big one, the book I always wanted to write, a secret worth waiting for. But first, start at the beginning. Get your copy today. Give one as a gift to someone you love.

Bloodsinger Juliette Cross, 2026-04-09 Sunday Times bestselling author Juliette Cross returns with a new scorching dark romantasy in her The Fire That Binds trilogy. The fate of a powerful witch who can control men with one taste of their blood and a fierce dragon collide. A spellbinding gift. A plea answered by the gods. An unforgiving world where dragons rule. Rome. Lela Bihari's village was invaded on her wedding night, her betrothed murdered right in front of her. While her sisters were either dragged away or escaped, Lela was sold to Valerius, a consul of Rome. When she tried to kill Valerius her first night as his slave, her bloodsinger gift manifested, and she was punished for it. Now she's paraded in front of the other senators for their amusement. But Trajan Tiberius, the newly elected tribune to the senate, is different. He has no love for the brutality around him. When he frees Lela from enslavement and hides her, Lela is set on a path of vengeance, and using her gift puts her in more danger than ever before. Now trapped inside the walls of Rome while deathriders circle the skies, how can she possibly trust a Roman dragon? Especially when it is clear Trajan has ulterior schemes of his own. As her powers grow stronger, danger draws closer, and Lela realizes it isn't just her life at stake but also her heart. Bloodsinger is a fantasy with some dark themes, including elements of master-slave relationship, attempted sexual assault, and dubious consent. None of which is between the main characters. Readers who may be sensitive to these elements, please take note. [The Whitfield Rancher](#) Kathi S.
