This book successfully points the way towards solving the problems created by pharmacological treatment of anxiety in today's climate. It is divided into three main sections. The Benzodiazepines, The Social Context and After the Benzodiazepines. Part One reviews the state of the art of benzodiazepines while Part Two discusses the social backgrounds against which the problems should be viewed. The third section postulates that a number of paths out of this jungle exist and that they should be further investigated.
