**While You Were Out** Meg Kissinger, 2023-09-05 From award winning journalist Meg Kissinger a searing memoir of a family besieged by mental illness as well as an incisive exploration of the systems that failed them and a testament to the love that sustained them Growing up in the 1960s in the suburbs of Chicago Meg Kissinger s family seemed to live a charmed life With eight kids and two loving parents the Kissingers radiated a warm boisterous energy Whether they were spending summer days on the shores of Lake Michigan barreling down the ski slopes or navigating the trials of their Catholic school the Kissingers always knew how to live large and play hard But behind closed doors a harsher reality was unfolding a heavily medicated mother hospitalized for anxiety and depression a manic father prone to violence and children in the throes of bipolar disorder and depression two of whom would take their own lives Through it all the Kissingers faced the world with their signature dark humor and the unspoken family rule never talk about it While You Were Out begins as the personal story of one family s struggles then opens outward as Kissinger details how childhood tragedy catalyzed a journalism career focused on exposing our country s flawed mental health care Combining the intimacy of memoir with the rigor of investigative reporting the book explores the consequences of shame the havoc of botched public policy and the hope offered by new treatment strategies Powerful candid and filled with surprising humor this is the story of one family s love and resilience in face of great loss

Cat Fisa's destiny has finally caught up with her. But fully accepting her fate means taking a final terrifying step reuniting all three realms and embracing her place as Queen with warlord turned king Griffin at her side. And while Andromeda seems to know every trick and spell, Cat's own magic refuses to work like it should. When tragedy strikes, Cat unleashes the power she's been afraid of all her life, but her misuse of the God's gifts comes with a terrible price. Ripped away from Griffin and the home she's come to love, Cat's only option is to fully accept the power she's always denied, so that she can return to the people she loves, confront her murderous mother, and finish restoring her kingdom no matter the ultimate cost. **Loving the White Liar** Kate Stewart, 2015-07-20

I met my true love when I was twenty seven. He was handsome, charming, witty, and irresistible. Jayden Monroe came along when I was struggling with indecision and made things simple. He turned monochrome into vivid color and forever altered my perspective on life. I was not naive enough to believe in happily ever after, but with Jayden, it seemed possible. Until I realized something wasn't quite right. You see, I met a man who would be anyone I needed him to be, and after I found out that fact, I knew it would be impossible to walk away. His disorder, however, would change everything I ever thought about love and what it truly meant to accept someone for who they are. This is not my sob story; this is his success story.

Can Nick shed his slacker skin to prove himself worthy of the girl he fell in love with on a playground almost a decade ago? Can Fallon take a leap of faith, opening her heart to the guy who, despite his shadows, is promising to be her everything? Because if they can, they just might find a happily ever after they were too scared to even
