WORLDWIDE BOX OFFICE

Just four years ago, "Captain Marvel" grossed over \$1 Billion at the worldwide box office. But due to an over-saturated market, a string of tepidly reviewed projects, and a scaled-back marketing campaign amid industry strikes, opening box offices numbers for the new sequel are the lowest in MCU history.

"The Marvels" only managed \$46 Million domestically in its opening weekend.

Movie Roadshows Kim R. Holston, 2013-01-01 This work examines a film distribution system paralleling the rise of early features and persisting until 1972 when *Man of La Mancha* was the final roadshow to require reserved seating. Synonymous with Hollywood's star studded premieres, roadshows were longer and cost more than regular features, making the experience similar to attending the legitimate theater. Roadshows often epic in subject matter, played selected, usually only one theater in major urban centers until demand decreased. *De rigueur* by the 1960s were musical overtures, intermissions, entre acte and exit music and souvenir programs for sale in the lobby. Throughout the text are recollections by people who attended roadshows including actor John Kerr and actresses Barbara Eden and Ingrid Pitt. The focus is on roadshows released in the United States but an appendix identifies international roadshows and films forecast but not released as roadshows. Included are plots, contemporary critical reaction, premiere dates, production background and methods of promotion i.e. the ballyhoo.
