Instafamous Erika J. Kendrick, 2024-10-01 This funny and fabulous novel about a middle school diva's hunt for the spotlight speaks to the importance of friendship and family even in the midst of fame. Lyric Whitney Houston Darby has always wanted to be famous just like her superstar mom. So when the hottest music competition TV show announces auditions in town, it's her chance to compete and maybe even score a record deal. There are just a couple of problems. First, the show requires industry experience. This means Lyric has to audition for her school's production of *The Wiz* as if middle school musicals aren't totally beneath her. Second, she needs to mega boost her platform on Instagram. Fast. This show is an influencers-only event. Luckily, she has her besties at her side. Or does she? As Lyric starts to get everything she ever wanted, her BFFs are coping with their own challenges. Will Lyric be there to lift them up, or is she about to learn the real cost of being instafamous? This bubbly story is as wise as it is witty, reminding readers of the importance of mental health and that what you want isn't always what you need. For more adventures at Valentine Middle, don't miss these school stories from Erika J. Kendrick: *Squad Goals*, *Cookie Monsters*. **Radio Silence** Iyanna SB, 2020-12-30 Join Lucina Gregoire as she strives to become a singer, and everyone around her is ignorant to her and thinks she can't do it. This book is dedicated to all the dreamers. **All the Things We Never Said** Yasmin Rahman, 2023-10-03 Sixteen-year-old Mehreen is overwhelmed by her anxiety and depression, and she doesn't believe anyone in her life will understand if she tries to talk about it. She's been thinking about suicide for a while when she discovers a website called MementoMori.com. The site matches people with partners and assigns them a date on which to end their lives together. Mehreen is partnered with Cara and Olivia, strangers dealing with their own struggles. But as the girls get to know one another in preparation for their date of termination, they find themselves developing a strong bond, even becoming friends. For the first time, they're each able to share their darkest secrets with people who won't judge them. They realize that with the right support systems, life is worth living after all. So they decide to abandon the suicide pact. Except the website won't let them stop. As their assigned date of termination draws nearer, and MementoMori continues to manipulate them, the girls will have to rely on one another to survive.
