As with previous Iggy editions, you'll find a unique collaborative care approach to adult health nursing, a thorough integration of QSEN competencies, extensive NCLEX Exam preparation, and a direct reader friendly tone throughout the text. This ninth edition incorporates two emerging and complementary trends: the Core Competencies for Interprofessional Collaborative Practice and a more conceptual approach teaching and learning areas that will ground you in how to think like a nurse and how to apply the knowledge you gain from the text to clinical practice. There are a lot of med surg nursing texts out there, but there's only one that combines all the information, concepts, and on-the-job realities in a way that makes perfect sense.
