## **Paypal Review:**

**The PayPal Official Insider Guide to Mobile Profits** Matt T. Jones, 2011-10-14 Mobile commerce opportunities are everywhere people go 24/7. And PayPal is in the forefront of harnessing those opportunities, offering mobile businesses faster, easier, safer, and more positive customer checkout experiences. PayPal's mobile checkout tools support profitable websites and apps on all of today's smartphones, tablets, and other portable devices. This book shows how you can implement these tools to more effectively capture this vast new revenue stream. You'll learn how to partner with PayPal to Maximize payment opportunities in the open mobile marketplace. Apply mobile website and app building best practices. Integrate PayPal Mobile express checkout and payment software systems. Master mobile consumer shopping behavior, technology, and payment trends. Profit with custom efficient PayPal Mobile payment options for your business. This expert, easy-to-follow advice straight from those who design and build PayPal Mobile is your direct link to effective mobile payments and business success.

**PayPal APIs** Matthew A. Russell, 2012 If your web application's success depends on how quickly and easily users can make transactions, PayPal APIs provide effective solutions you can't afford to overlook. This concise book takes you hands-on through several options to help you determine the best choice for your situation, whether you're collecting money via websites or mobile apps for products and services, donations or anything else. In each chapter you'll work with a different PayPal API by integrating it into the book's sample application using Python and the Google App Engine framework. This expanded edition introduces two new options: Express Checkout for Digital Goods and Instant Payment Notifications, complete with sample project code. By the end of this book you'll understand how to take full advantage of PayPal and its powerful features. Learn PayPal API basics and get an introduction to Google App Engine. Explore the Express Checkout option and understand what distinguishes it from other generic workflows. Tailor Express Checkout for electronic documents, videos, and other in-app digital purchases. Apply the Adaptive Payments option for transactions that involve multiple recipients. Embed the payment process into your site with no mention of PayPal using Website Payments Pro. Use the Instant Payment Notifications you receive as triggers to take follow-up action.

**PayPal APIs: Up and Running** Michael Balderas, 2011-02-10 If your web application's success depends on how quickly and easily users can make transactions, then PayPal is a solution you can't afford to overlook. This book helps you determine which PayPal option is best for your situation and provides step-by-step instructions for implementing the payment method you choose, whether you're accepting money via the Web or mobile devices for products and services, donations or anything else. You'll find sample code written primarily in PHP and Objective C, as well as use cases for executing options with PayPal's API. By the end of this book you'll have a clear understanding of PayPal and how you can get the most out of its powerful features, no matter how much API programming experience you have. Learn how to work with the PayPal API and choose the right integration method for your project. Explore PayPal's Express Checkout option, including its unique workflow and four methods of operation. Examine the Website Payments Pro API and learn how to use it to accept payments from mobile devices. Get started with the Adaptive Payments API and learn how to use it to handle transactions involving multiple recipients. Explore the Instant Payment Notifications API and learn how to use it to trigger follow-up actions based on payment status. Finally, learn how to use the PayPal API to accept payments via the Web and mobile devices, and how to use the Website Payments Pro API to accept payments from mobile devices.

Payment Pro method with a focus on direct payments Consider Adaptive Payments and learn how to set permission levels for their use Use PayPal in your iOS or Android based mobile app with the new Mobile Express Checkout method Test your PayPal implementation with the sandbox
