Dominant Female Submissive Male Sophia James,2019-04 Why do Women even very attractive women stay in relationships with Men who treat them badly Is it low self esteem or a desire to submit to a dominant man A dominant man who will provide all the romance and excitement she has been brought up to believe is her natural right In my case it was the latter I wanted the big handsome hunky guy who would sweep me off my feet treat me like a princess in public and his sex slave in the bedroom But as most women find out life is not a fairy tale A real life Rhett Butler probably does exist but you will have more chance of finding a needle in a haystack Elizabeth Bennett found happiness but for every Mr Darcy there are hundreds of selfish men who think a woman s job is just to supply sex and child care WOMEN SHOULD UNDERSTAND THE POWER THEY HAVE I didn t realise it until I was thirty five and until that point I put up with my men coming home drunk wasting my money getting fatter and more abusive and providing me with increasingly disappointing sex I put up with it no longer I now have a man who sees it as his principle aim in life to keep me happy contented wealthy and sexually satisfied I have known my man for most of my life but he only became my boyfriend seven years ago During that time I have been a professional Dominatrix and a writer of books dedicated to the dominant female And my boyfriend is also my slave In this book I explain how all this came about The book is more about personal transformation and female empowerment than it is about kinky usually fictional sexual fantasies The success of the book Fifty shades of grey shows the interest there is out there in an alternative discipline based life style and emphasises that many women share that interest Unlike fifty shades of grey Dominant Female Submissive Male is primarily a manual for submissive men to find the Mistress of their dreams but it is also an eye opener for frustrated women as it shows them the glorious very exotic and exciting life they could have While some submissive men are slightly pathetic and even creepy many are romantic kind hearted reliable and good fun They adore and respect women and see it as their role in life to support them What s not to like about that They will have a desire for discipline and this desire will be inextricably linked to their sexual nature For some this will be extreme and involve heavy BDSM but for most it will involve safe erotic role play and spankings The point is

that Women control when how and even if it happens Women have the power in all aspects of the relationship and how they exercise that power is up to them Believe me once you have a man on his knees begging for an orgasm you will never look back But Women do not want to live with a wimp and this is what a lot of very nice submissive men fail to understand and why many of them remain frustrated and single when with a little change of emphasis their dreams are so easily achievable This book is a guide on how to affect this change of emphasis and to get across what women are looking for and will accept in a loving fulfilling and very kinky relationship It also explains how submissive men can learn to accept and enjoy their kink and how to widen their circle of fetish friends It relates the authors own experiences and offers guidance on how to get the best out of a session with a Dominatrix and how to become more than just a client to her It also explains how to tell your wife about your desire for female domination and more importantly how not to It also offers cautionary tales and about how not to get ripped off by unscrupulous con artists The central aim of the book however is to bring together good men who have a desire for female domination with good women looking for a lover who will provide happiness support fun excitement and success Please click on the look inside feature for a preview *How to Find a Dominant Woman* Sharyn Ferns, 2017-06-27
