### **Reclaiming Opportunities for Effective Teaching** Mary Ellen Dunn,2016-01-07

This book examines the increased standardization and management of community college course outlines in Ontario and the associated decline in the ability of college professors to effectively educate their students Dunn tracks the changes of increased pressure from corporations to privatize public services and make them for profit friendly Interviews of program

faculty who have recently been forced to use course outlines for the first time along with critical analyses of a sample course outline and a series of union related texts illuminate the issue Dunn attributes the shift of power in community colleges to various factors which include the ideological work college employees do to support global finance capital the managerial labor which establishes a course outline the textual duties that faculty members facilitate to set up their own ruling and the performance work that faculty members do to execute the textual rules of their prescriptive course outline work In order to rectify the harmful effects of the new standardized and supervised curriculum Dunn identifies areas where effective teaching and learning can be reclaimed    **Teach Yourself Web Publishing with Microsoft Word in a Week** Herb Tyson,1995

Organized on a day by day basis this book is the easiest way to learn how to produce attractive well designed Web pages with Microsoft Word Each day of the week provides a basic overview examples exercises and a summary of the topics being taught The disk includes Internet Assistant word based Web publishing tools and sample templates for Web pages    **On**

**Track to Success in 30 Days** Carla Cross,1996 This book will provide seasoned agents with the tools and training they need to achieve maximum productivity Develop a personal winning style For any agent who wants to improve and make more money Dozens of worksheets exercises and self assessments identify weaknesses to eliminate This set is a book of 192 pages plus two audio tapes    Success Magazine ,1926    Public Speaking in a Week: Teach Yourself Matt Avery,2016-08-30
