

Suffolk County Police Exam 2014

José Luis Morín

Suffolk County Police Exam 2014:

Latinos and Criminal Justice José Luis Morín, 2016-03-28 This unique compilation of essays and entries provides critical insights into the Latino experience with the U.S. criminal justice system. Concerns about immigration's relationship to crime make accurate information and critical analysis of the utmost importance. **Latinos and Criminal Justice** An Encyclopedia promotes understanding of Latinas and Latinos and the U.S. criminal justice system at the same time dispelling popular misconceptions about this population and criminal activity in the United States. Unlike a traditional encyclopedia comprised solely of A-Z entries, this work consists of two parts. Part I offers detailed essays on particularly important topics. Part II provides brief A-Z entries. Topics are crossreferenced to enable easy research. Among the wide range of topics covered are policing and police misconduct, incarceration, the war on drugs, gangs, border crime, and racial profiling. Historically important issues and events relative to the Latino experience of criminal justice in the United States are also included, as are key legal cases.

Section 1983 Litigation Martin A. Schwartz, 2013

Murder in the Bayou Ethan Brown, 2019-09-17 A New York Times Bestseller, the basis for the hit Showtime docuseries *Murder in the Bayou*. It is a New York Times bestselling chronicle of a high stakes investigation into the murders of eight women in a troubled Southern parish that is part murder case, part corruption exposé and part Louisiana noir. New York magazine Between 2005 and 2009, the bodies of eight women were discovered in Jennings, Louisiana, a bayou town of 10,000 in the Jefferson Davis parish. The women came to be known as the Jeff Davis 8, and local law enforcement officials were quick to pursue a serial killer theory, stirring a wave of panic across Jennings' class divided neighborhoods. The Jeff Davis 8 had been among society's most vulnerable: impoverished, abused and mired with mental illness. They engaged in sex work as a means of survival. And their underworld activity frequently occurred at a decrepit motel called the Boudreaux Inn. As the cases went unsolved, the community began to look inward. Rumors of police corruption and evidence tampering of collusion between street and shield cast the serial killer theory into doubt. But what was really going on in the humid rooms of the Boudreaux Inn? Why were crimes going unsolved and police officers being indicted? What had the eight women known? And could anything be done to stop the bloodshed? Mixing muckraking research and immersive journalism over the course of a five year investigation, Ethan Brown reviewed thousands of pages of previously unseen homicide files to posit what happened during each woman's final hours, delivering a true crime tale that is mesmerizing. Rolling Stone and explosive. *Huffington Post* Brown is a man on a mission: he gives the victims more respectful attention than they probably got in real life. *The New York Times* A must-read for true crime fans. *Publishers Weekly* Starred review with a new afterword. *Murder in the Bayou* is the story of an American town buckling under the dark forces of poverty, race and class division and a lightning rod for justice for the daughters it lost.
