**The Mayong Times-Chapter: One (EPUB Version)** Hreeshyat Taukdar,2025-11-04 Mayong stirs where history's bones lie closest to the skin of Assam a haunted vestibule where time unspools and the shadows of dynasties thicken like monsoon clouds In this first chapter of The Mayong Times we descend into the heart of the Ahom Era when kingdoms triumphed and faltered not only by the sword but through clandestine pacts inked in blood and ash half remembered by priests and feared by princes This chapter is offered not as a sterile chronicle but as a living document each segment a lantern swinging through corridors where the mundane collides with the monstrous and where grief vengeance and hope tangle with the supernatural Here black magic isn't mere folklore it is history's secret mortar binding descendants and sovereigns to creatures both terrifying and familiar Baak Jokhini Bira and Ghorapak Mayong's own impossible progeny and wardens

*Under Mountain Shadows* William D. Frank,2024-02-29 From her world famous dude ranch in Washington state's Yakima County Kay Kershaw exerted tremendous influence on conservation efforts in the Pacific Northwest and tangentially on LGBTQ rights in the United States After gaining local renown in sports and aviation she established the ranch at Goose Prairie with her first partner Pat Kane a fraught undertaking in a region closely associated with the John Birch Society Operating under the guise of two spinsters Kershaw and her later life partner Isabelle Lynn guarded their privacy closely but local encroachment by the U.S. Forest Service and the timber industry forced them into the public arena as environmentalists In partnership with Supreme Court Justice William O. Douglas Kershaw and Lynn spearheaded a decades long campaign to save the ancient forests and ecosystem of Washington's Cascade Range In the

process Kay and Isabelle s devoted relationship proved a marked contrast to Justice Douglas own turbulent love life perhaps affecting his perception of the law and his precedent setting judicial opinion in *Griswold v Connecticut* 1965 which provided the basis for major LGBTQ Supreme Court decisions in the twenty first century as well as *Roe v Wade* in 1973 **Summer Shadows** Pat Warren,1988 SUMMER SHADOWS. **Expressionism in the Cinema** Olaf Brill, 2016-02-19

One of the most visually striking traditions in cinema for too long Expressionism has been a neglected critical category of research in film history and aesthetics The fifteen essays in this anthology remedies this by revisiting key German films like *The Cabinet of Dr Caligari* 1920 and *Nosferatu* 1922 and also provide original critical research into more obscure titles like *Nerven* 1919 and *The Phantom Carriage* 1921 films that were produced in the silent and early sound era in countries ranging from France Sweden and Hungary to the United States and Mexico An innovative and wide ranging collection Expressionism in the Cinema re canonizes the classical Expressionist aesthetic extending the critical and historical discussion beyond pre existing scholarship into comparative and interdisciplinary areas of film research that reach across national boundaries
