The Curse of Chalion Lois McMaster Bujold, 2009-10-13 A man broken in body and spirit Cazaril returns to the noble household he once served as page and is named secretary tutor to the beautiful strong willed sister of the impetuous boy who is next in line to rule It is an assignment Cazaril dreads for it must ultimately lead him to the place he most fears the royal court of Cardegross where the powerful

enemies who once placed him in chains now occupy lofty positions But it is more than the traitorous intrigues of villains that threaten Cazaril and the Royesse Iselle here for a sinister curse hangs like a sword over the entire blighted House of Chalion And only by employing the darkest most forbidden of magics can Cazaril hope to protect his royal charge an act that will mark him as a tool of the miraculous and trap him in a lethal maze of demonic paradox *The Curse of Chalion* Lois McMaster Bujold, 2001 A man broken in body and spirit Cazaril returns to the noble household he once served as page and is named secretary tutor to the beautiful strong willed sister of the impetuous boy who is next in line to rule It is as assignment Cazaril dreads for it must ultimately lead him to the place he most fears the royal court of Cardegoss where the powerful enemies who once placed him in chains now occupy lofty positions But it is more than the traitorous intrigues of villains that threaten Cazaril and the Royesse Iselle here for a sinister curse hangs like a sword over the entire blighted House of Chalion And only by employing the darkest most forbidden of magics can Cazaril hope to protect his royal charge an act that will mark him as a tool of the miraculous and trap him in a lethal maze of demonic paradox *The Hallowed Hunt* Lois McMaster Bujold, 2005-05-24 Follows Paladin of souls **The Shape of Fantasy** Charul Palmer-Patel, 2019-10-23 The Shape of Fantasy is an in depth look at Heroic Epic Fantasy It depicts structural and narrative patterns with models stemming from science and philosophy Although Fantasy Fiction is generally defined by its impossibility Fantasy Fiction not an illogical form It is in fact governed by a sense of rules and structure one that reflects our current understanding of space time and cosmology These models are an integral part of the structure of Heroic Epic Fantasy itself Thus this book introduces new ways of perceiving current productions of the Fantasy genre In doing so it also explores how Fantasy Fiction exhibits a conscious awareness of its own form *Biology and Manners* Regina Yung Lee, Una McCormack, 2020-06-17 This volume of essays continues the establishment of Lois McMaster Bujold as an important author of contemporary science fiction and fantasy It argues persuasively that Bujold s corpus spans the distance between two full arcs of US feminism and has anticipated or responded to several of its current concerns in ways that invite or even require theoretical exploration The fourteen essays collected here provide wide ranging scholarly analyses of Bujold s work and worlds so far covering not only the science fiction and fantasy series but taking into account the wealth of ancillary material inspired by her works such as fan fiction and role playing games Examining the major series through a range of perspectives including feminist readings queer theory and disability studies this volume aims to establish beyond doubt the seriousness of intent behind Bujold s various artistic projects and provide a set of rich readings of this engaging experimental playful and popular author **The Hallowed Hunt** Lois McMaster Bujold, 2009-10-13 A magnificent epic tale of devotion possession obsession and strange destiny from the author of the Hugo Award winning Paladin of Souls Lois McMaster Bujold The half mad Prince Boleso has been slain by a noblewoman he had intended to defile and Lord Ingrey kin Wilfcliff must transport the body to its burial place and the accused killer the Lady Ijada to judgment With the death of the old Hallow King imminent and the crown in play the

road they must travel together is a dangerous one And though he is duty bound to deliver his prisoner to an almost certain death Ijada may be the only one Ingrey dares trust For a monstrous malevolence holds the haunted lord in its sway and a great and terrible destiny has been bestowed upon him by the gods the damned and the dead Paladin of Souls Lois McMaster Bujold, 2009-10-13 One of the most honored authors in the field of fantasy and science fiction Lois McMaster Bujold transports us once more to a dark and troubled land and embroils us in a desperate struggle to preserve the endangered souls of a realm Three years have passed since the widowed Dowager Royina Ista found release from the curse of madness that kept her imprisoned in her family's castle of Valenda Her newfound freedom is costly bittersweet with memories regrets and guilty secrets for she knows the truth of what brought her land to the brink of destruction And now the road escape beckons A simple pilgrimage perhaps Quite fitting for the Dowager Royina of all Chalion Yet something else is free too something beyond deadly To the north lies the vital border fortress of Porifors Memories linger there as well of wars and invasions and the mighty Golden General of Jokona And someone something watches from across that border humans demons gods Ista thinks her little party of pilgrims wanders at will But whose When Ista's retinue is unexpectedly set upon not long into its travels a mysterious ally appears a warrior nobleman who fights like a berserker The temporary safety of her enigmatic champion's castle cannot ease Ista's mounting dread however when she finds his dark secrets are entangled with hers in a net of the gods own weaving In her dreams the threads are already drawing her to unforeseen chances fateful meetings fearsome choices What the inscrutable gods commanded of her in the past brought her land to the brink of devastation Now once again they have chosen Ista as their instrument And again for good or for ill she must comply **Jane Eyre's Sisters** Jody Gentian Bower, 2015-03-15 Ever since women in the West first started publishing works of fiction they have written about a heroine who must wander from one place to another as she searches for a way to live the life she wants to live a life through which she can express her true self creatively in the world Yet while many have written about the heroine's journey most of those authors base their models of this journey on Joseph Campbell's model of the Heroic Quest story or on old myths and tales written down by men not on the stories that women tell In *Jane Eyre's Sisters: How Women Live and Write the Heroine's Story* cultural mythologist Jody Gentian Bower looks at novels by women and some men as well as biographies of women that tell the story of the Aletis the wandering heroine She finds a similar pattern in works spanning the centuries from Lady Mary Wroth and William Shakespeare in the 1600s to Sue Monk Kidd Suzanne Collins and Philip Pullman in the current century including works by Jane Austen the Brontë sisters George Eliot Elizabeth Gaskell Charles Dickens Kate Chopin Virginia Woolf Doris Lessing J. R. R. Tolkien and Alice Walker to name just a few She also discusses myths and folk tales that follow the same pattern Dr Bower argues that the Aletis represents an archetypal character that has to date received surprisingly little scholarly recognition despite her central role in many of the greatest works of Western fiction Using an engaging down to earth writing style Dr Bower outlines the stages and cast of characters of the Aletis story with

many examples from the literature She discusses how the Aletis story differs from the hero's quest how it has changed over the centuries as women gained more independence and what heroines of novels and movies might be like in the future She gives examples from the lives of real women and scatters stories that illustrate many of her points throughout the book In the end she concludes authors of the Aletis story use their imagination to give us characters who serve as role models for how a woman can live a full and free life
