The Czars Germans With Particular Reference To The Volga Germans:

The Czar's Germans Hattie Plum Williams, 1975 **The Germans of the Soviet Union** Irina Mukhina, 2007-03-06 Using rarely seen archival information this book provides an account of the experiences of the Germans living in the Soviet Union from the early post revolution period to the post Soviet era following the collapse of communism **The Volga Germans** Richard D. Scheuerman, Clifford E. Trafzer, 1980 This story deals with one of the largest migrations by a single ethnic group to the Pacific Northwest It is the saga of the Volga Germans who settled in this region and has a scenario stretching from Germany and Russia It explores their European origins in the eighteenth century and investigates the remarkable program of colonization inaugurated in the 1760s under the Russian empress Catherine II Preface page 5 Pioneering History on Two Continents Bruce F. Pauley, 2014-07-15 Bruce F Pauley draws on his family and personal history to tell a story that examines the lives of Volga Germans during the eighteenth century the pioneering experiences of his family in late nineteenth century Nebraska and the dramatic transformations influencing the history profession during the second half of the twentieth century An award winning historian of antisemitism Nazism and totalitarianism Pauley helped shape historical practice from the 1970s to the 90s both in the United States and Central Europe Pioneering History on Two Continents provides an intimate look at the shifting approaches to the historian's craft during a volatile period of world history with an emphasis on twentieth century Central European political social and diplomatic developments It also examines the greater sweep of history through the author's firsthand experiences as well as those of his ancestors who participated in these global currents through their migration from Germany to the steppes of Russia to the Great Plains of the United States **Concord and Conflict** Norman E. Saul, 1996 Between 1867 the year of the Alaskan purchase and the beginning of World War I Russian and American dignitaries diplomats businessmen writers tourists and entertainers crossed between the two countries in surprisingly great numbers Concord and Conflict provides the first comprehensive investigation of this highly transformational and fateful era in Russian American relations Excavating previously unmined Russian and American archives Norman Saul illuminates these fifty significant and open years of association between the two countries He explores the flow and fluctuation of economic diplomatic social and cultural affairs the personal and professional conflicts and scandals and the evolution of each nation's perception of the other Imagined Homes Hans Werner, 2012-10-18 Imagined Homes Soviet German Immigrants in Two Cities is a study of the social and cultural integration of two migrations of German speakers from Eastern Europe and the Soviet Union to Winnipeg Canada in the late 1940s and Bielefeld Germany in the 1970s Employing a cross national comparative framework Hans Werner reveals that the imagined trajectory of immigrant lives influenced the process of integration into a new urban environment Winnipeg's migrants chose a receiving society where they knew they would again be a minority group in a foreign country while Bielefeld's newcomers believed they were going home and were unprepared for the conflict between their imagined homeland and the realities of post war Germany Werner also shows that differences

in the way the two receiving societies perceived immigrants and the degree to which secularization and the sexual and media revolutions influenced these perceptions in the two cities were crucially important in the immigrant experience *Race And Culture* Thomas Sowell, 2025-04-01 Encompassing more than a decade of research around the globe this book shows that cultural capital has far more impact than politics prejudice or genetics on the social and economic fates of minorities nations and civilization **Researching the Germans from Russia** North Dakota Institute for Regional Studies, Germans from Russia Heritage Society, 1987 Germans from Russia in America Kenneth W. Rock, 1976 **The Germans from Russia in the United States and Canada** Steven M. Benjamin, 1985 **Germans from Russia in Colorado** Sidney Heitman, 1978 **Mennonite Pacifism and State Service in Russia** Lawrence Klippenstein, 1984 **The Soviet Germans in the USSR Today** Sidney Heitman, 1980 Germans and German-Russians in Nebraska Janet Warkentin Rife, 1980 Journal of the American Historical Society of Germans from Russia , 1996 **The German-Canadians** Steven M. Benjamin, 1979 Yearbook of German-American Studies , 1983 **Germans from Russia in Alberta** Tova Yedlin, 1984 Bulletin of Cultural Life in the U.S.S.R.
