**The Dandelion Insurrection Study Guide** Rivera Sun,2020-05-29 All around the world people work for justice equality and freedom using the nonviolent tools of Martin Luther King and Gandhi Now you can learn these resistance strategies and apply them in your community too **How We Win** George Lakey,2018-12-04 A lifetime of activist experience from a civil rights legend informs this playbook for building and conducting nonviolent direct action campaigns In an era of massive worldwide protests for racial and economic justice it is important to remember that marching is only one way to take to the streets Protest must be supplemented with the sustained direct action campaigns that are crucial to winning major reforms Beginning as a trainer in the civil rights movement of the 1960s George Lakey has spent decades helping direct action tactics flourish and succeed on the front lines of social change Now in this timely and down to earth guide he passes the torch to a new generation of activists Lakey looks to successful campaigns across the world to help us see what has worked what hasn't and why from choosing the right target to designing a creative campaign from avoiding burnout within your group to building a movement of movements to achieve real progressive victories Drawing on the experiences of a diverse set of ambitious change makers How We Win shows us the way to justice peace and a sustainable economy This is what democracy looks like **Centre for Applied NonViolent Action and Strategies Core Curriculum ,2007**
