Summary of Debbie Ford's The Dark Side of the Light Chasers Everest Media,2022-05-24T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 *The Dark Side of the Light Chasers* is about revealing the part of ourselves that destroys our relationships kills our spirit and prevents us from fulfilling our dreams It is

what the psychologist Carl Jung called the shadow 2 When you make peace with your shadow you will no longer have to pretend to be someone you're not You will no longer have to prove yourself good enough When you embrace your shadow you will no longer have to live in fear 3 The Dark Side of the Light Chasers is about working through those walls and taking down the barriers we've constructed and looking at who we are and what we're doing here 4 You must learn how to give all of who you are permission to exist If you want to be free you must stop judging yourself and others When you judge others you automatically judge yourself *Dark Side of the Light Chasers* Deborah Ford, 2010 *Recovering Racists* Idelette McVicker, 2022-04-12

It is a rare thing for me to stand with a book explicitly about race and equity that is written by a white person Why Because it is a rare thing to encounter a white person who has followed the lead of people of color into their own transformation so deeply that I trust the message coming from their white body Idelette McVicker has done the work Lisa Sharon Harper from the foreword As a white Afrikaner woman growing up in South Africa during apartheid Idelette McVicker was steeped in a community and a church that reinforced racism and shielded her from seeing her neighbors oppression But a series of circumstances led her to begin questioning everything she thought was true about her identity her country and her faith Recovering Racists shares McVicker's journey over thirty years and across three continents to shatter the lies of white supremacy embedded deep within her soul She helps us realize that grappling with the legacy of white supremacy and recovering from racism is lifelong work that requires both inner transformation and societal change It is for those of us who have hit rock bottom in the human story of race says McVicker We must acknowledge our internalized racism repent of our complicity and learn new ways of being human This book invites us on the long slow journey of healing the past making things right changing old stories and becoming human together As we work for the liberation of everyone we also find liberation for ourselves Each chapter ends with discussion questions **Awaken 101** Christopher Uhl, Melissa DiJulio, 2020-10-01

Discovering our meaning and purpose our reason for being can seem like an impossible task especially given the tumultuous times in which we find ourselves Through challenging provocations uplifting narratives and profound insights this book emboldens readers to experience their lives not as spectators but as reflective courageous and purposeful participants We can turn toward the problems look them in the eye and begin the work of setting things right we can begin the process of awakening Organized as a five part journey it explores both cognitively and experientially what it might mean to assume the rightful authorship of your life By breaking out of the dominant narrative of how life should be lived and by becoming more aware of the world around us we can gain the tools essential for becoming open minded embodied

introspective and soulful human beings **From Mormon to Mystic** Erin Jensen, 2014-11-26 From Mormon to Mystic Journey from Religious Disillusionment to Soulful Liberation chronicles the journey of a sixth generation Mormon woman She travels a path that takes her from a tightly knit and theologically strict religious community to the open expanses of a mystical understanding of reality Erin Jensen weaves together the account of her transformation and the strands of insight

that come from James Fowler's Stages of Faith. By rooting her narrative in the vivid details of the steps she takes along the way, the author tells how she weathers her life's challenges, including a federal court witch trial and emerges from the depths of several dark nights of the soul. While *From Mormon to Mystic* immerses itself in the details of one life, it simultaneously offers guidance for anyone seeking to overcome the strictures of rigid systems of belief and behavior. In its pages, the reader will learn how to make his or her way toward freedom and wholeness by understanding how faith develops learning to work with shadow qualities, practicing non attachment, taking personal responsibility, trusting one's ability to choose, appreciating the power of total forgiveness, connecting to inner sources of wisdom, and embracing a state of consciousness filled with hope, love, and peace. *From Mormon to Mystic: Journey from Religious Disillusionment to Soulful Liberation* offers both a narrative of one woman's path to spiritual freedom and a guide for others who seek their own way from the confines of their current circumstances to the liberation they desire to envision for the own futures.

The Ambition Trap Amina AlTai, 2025-05-13

The anti hustle guide to getting what you really want

AN OPEN FIELD PUBLICATION FROM MARIA SHRIVER

Most of us think ambition means doing everything in our power to get what we want. But this approach costs us our health and wellbeing and ultimately upholds oppressive systems. In *The Ambition Trap*, leadership coach Amina AlTai shows you how to break the cycle of overwork once and for all and finally create the greatest, most joy-filled work of your life. The thing is what most of us really want isn't money or accolades but acceptance, security, and belonging. When we use external metrics to fulfill these internal wounds and desires, nothing ends up being enough so we work harder and longer in a never-ending cycle and therein lies the ambition trap. It turns out we get to have more of what we want when we anchor our ambition to our purpose and not our pain. Drawing on her work with Fortune 500 leaders, Olympic gold medalists, start-up founders, and former girlbosses, AlTai guides you through the process of reconciling your ambition starting with healing the core wounds and insecurities currently driving you. Along the way, she introduces actionable strategies for aligning your work with your deepest why, leaning into your most natural gifts, nourishing yourself in the long-term pursuit of your goals, setting a sustainable pace, and allowing contentment to guide the way. It turns out ambition isn't a dirty word but an invitation to design your life with even greater purpose, meaning, and joy.
