**The Defilement of the Temple** Terry M. Reed, 2015-11-08 Tired of being tired no energy serious health issues wanting to have real health with God's normal not man's New concept for health Really How about going back to God's original what was the original God's creation model of how the temple or body was intended to operate back to the Garden of Eden Looking at all of His creation and going back to cell groups in the body operating as God created them to Understanding how they have been damaged and what we do to repair those body cell groups This will be a process not an event Although it does not have to be a long process With the proper guidance you can obtain real health by not chasing symptoms but dealing with real root issues Find out the process the author learned from God's creation and His Word Mt 13 15 For the hearts of this people have grown dull Their ears are hard of hearing And their eyes they have closed Lest they should see with their eyes and hear with their ears Lest they should understand with their hearts and turn So that I should heal them **The**

**Defilement of the Temple** Dr. Terry M. Reed MA ND, 2023-02-09 God's original health plan for mankind was in place before the earth was created and has been in place since the creation A perfect system with a complete foundation to keep man healthy for more than a lifetime It is all about studying God not man and his opinion Mankind ignored God and His creation and destroyed a portion of the Temple that now must be rebuilt He has shown the way for the temple to be rebuilt For this to be accomplished we must ask forgiveness for the destruction of the temple and give Him glory for His creation He really wants to talk to us about how the temple is to be managed Man has done some bio frequency engineering and weaponized some bacteria and viruses to use Satan to alter God's bacteria's and viruses to destroy us A God put in us some defenses knowing in advance what Satan would do These are the last days God needs each believer to be healthy and ready to serve He does Not want one of us in Heaven a day early It is all about getting to know the Trinity and Giving God His Due Glory and Allowing Jesus to love us the way He wants to Without His healthcare plan we will not be alive here on earth to see the end You just must believe to Receive He can use man to rebuild the Temple just as the Bible says It is all in His word if you study God's word and plan not man's **Healthcare~GOD's Way** Terry Reed, 2017-09-26 You will read about a new process for real natural health from God's word and His creation This comes after years of study of God's word and His creation Here is an in depth look at the medial community and the natural health community An answer finally what is real creational naturopathy and how does it work There is a brief overview of God created frequencies verses man made frequencies that can be deadly How should we really be eating for our health What about excessive exercise Harmful or helpful This is a real look at the body soul and spirit and how the creational model affects daily our personal relationships and communications **The Mystery of the Copper Scroll of Qumran** Robert Feather, 2003-06-23 Introduces a radical new perspective on the historical foundations of monotheism based on the enigma of the Copper Scroll of the Essenes Confirms the link between ancient Judaism and the pharaoh Akhenaten Decodes the system of measurements encrypted on

the Copper Scroll that has confounded scholars for over 50 years leading to the identification of fabulous lost treasures Points to a radical new understanding of the origins of monotheism The famous Dead Sea Scrolls comprise the oldest collection of Biblical documents ever discovered Of the Dead Sea Scrolls none has baffled experts more than the 2 000 year old Copper Scroll discovered in 1952 by a team of Bedouin led by Henri de Contenson of the Ecole Biblique in East Jerusalem Appearing to be a list of buried treasure engraved on copper pieces the Copper Scroll is considered to be the work of a secretive Jewish sect of devout Essenes who lived by the Dead Sea around the time of Jesus No one has been able to explain its meaning or discover any of the 64 locations where the Biblical treasures it lists were buried Robert Feather combining his background as a metallurgist with his journalistic expertise has unraveled the enigma of the Copper Scroll in a fascinating study that takes the reader on a journey from ancient Mesopotamia through Canaan into Egypt and back to the shores of the Dead Sea His exploration links the scroll to the ancient Egyptian king Akhenaten confirming a long suspected influence of this pharaoh s religious beliefs on those of the Hebrews The author s findings not only reveal the locations of most of the treasures listed on the Copper Scroll but they also point to a radical new understanding of the origins of monotheism the basis of the three great religions of Judaism Islam and Christianity Representations of Power Michele Marra,1993-01-01 Filled with insights original conclusions and alternate readings of historical evidence What Michele Marra has done is to illuminate the political intent in artistic creation and thus add new depth to our historical understanding Japan Times

**Otherworldly and Eschatological Priesthood in the Dead Sea Scrolls** Joseph L. Angel,2010-04-06 Departing from scholarship dedicated to the socio historical realities of priesthood at Qumran this book explores in two parts the most pervasive literary representations of priesthood in the Dead Sea Scrolls as a reflection of the religious worldview of the Qumran community and broader segments of Second Temple society Part one compares depictions of otherworldly priesthood in non sectarian and sectarian documents Part two examines the historical and traditional roots of portrayals of messianic eschatological priesthood The study reveals a fresh understanding of the integral role of priestly imagery in the tension filled eschatological identity of the Qumran community It concludes with a consideration of the relationship of the evidence treated to the phenomenon of democratization of priestly holinesses in rabbinic Judaism and Christianity **Who Should be King in Israel?** Travis Darren Trost,2010 Who Should Be King in Israel attempts to link common messianic issues found in some Dead Sea Scrolls with the Gospel of John These messianic issues are studied in relation to the political situation facing the Johannine community in dealing with the Roman empire The readers hearers of the Fourth Gospel had to deal with different challenges from the Roman government and the non Christian Jewish community in the era between the Jewish Revolt and the Bar Kochba Revolt Jesus is presented as the new David the Son of God who is the solution to all of humanity s problems The fall of the Temple in 70 CE had created a political and religious situation that meant early Christians of the post 70 CE socio political environment had to deal with Roman suspicion and Jewish disappointment The

Fourth Gospel uses vocabulary and imagery designed to communicate the message that Jesus is the Christ without inflaming either Roman or Jewish sensibilities This book is written in a manner designed to deal intelligently with that difficult era in Christian history     The Rocky Mountain Saints: a Full and Complete History of the Mormons, from the First Vision of Joseph Smith to the Last Courtship of Brigham Young T.B.H.
