## **The Demonic Bible:**

**Satanic Bible** Anton La Vey, 1976-12-01 Called The Black Pope by many of his followers Anton La Vey began the road to High Priesthood of the Church of Satan when he was only 16 years old and an organ player in a carnival On Saturday night I would see men lust after halfnaked girls dancing at the carnival and on Sunday morning when I was playing the organ for tent show evangelists at the other end of the carnival lot I would see these same men sitting in the pews with their wives and children asking God to forgive them and purge them of carnal desires And the next Saturday night they d be back at The carnival or some other place of indulgence I knew then that the Christian Church thrives on hypocrisy and that man s carnal nature will out From that time early in his life his path was clear Finally on the last night of April 1966 Walpurgisnacht the most important festival of the believers in witchcraft LaVey shaved his head in the tradition of Ancient executioners and announced the formation of The Church Of Satan He had seen the need for a church that would recapture man s body and his carnal desires as objects of celebration Since worship of fleshly things produces pleasure he said there would then be a temple of glorious indulgence

**The Satanic Bible** Michael Aquino, 2018-08 NOTE The Satanic Bible is available in four editions premium black for the hardcover is a Lulu publication USE LOOK INSIDE OF THE KINDLE EDITION FOR THE MOST COMPLETE PREVIEW When Anton Szandor LaVey published his original Satanic Bible fifty yers ago it was an angry book and it had plenty to be angry about It confronted a humanity which for more than two thousand years had been taught to hate itself fear God and hide from a threatening very un Edenic universe around it Even worse humans were told they were not only originally sinful and imperfect but imperfectible except perhaps through the intercession of an Islamic Mohammed or Christian Jesus demanding absolute abasement and obedience With men and women reduced to naked shamed animals therefore Anton saw and argued in his Bible that the only solution was to be the strongest craftiest and most hedonistic animal in the valley It was a prescription of power and vengeance to delight an Ayn Rand or Orwellian O Brien But then in the 10 year exoteric crucible of the Church of Satan followed by the 40 year esoteric one of the Temple of Set we discovered that humans not only had nothing to be inherently ashamed or guilty about but that indeed we are self perfectible and that Black Magic enables us not just to decipher and harmonize with the Objective Universe without but to discover the Subjective Universe of divine immortality within So this is not an angry Satanic Bible It is one of excitement exuberance the delight of virtue and nobility for their own sake The cosmology it reveals and the Black Magic it teaches are not weapons to hurt but tools of divine enlightenment and transformation Your eternity begins now

G. Fitzer, 2025-03-25 Meet the demon Rogatio in this first book of the Demonic Bible as he reads the Book of Genesis and asks the angel Fides Certum what the hell it s all about With Christian Nationalists dominating all three branches of the US federal government and driving it toward fascism it s high time that we reconsider what Christianity is really all about and there s nobody like a demon to help us break free of conventional interpretations of religion The Demonic Bible explores the Christian Bible from the point of view of its most neglected characters the demons As the symbolic embodiment of marginalized voices demons have the ability to ask critical questions that pious believers have been wondering about for centuries but are too frightened to speak out loud In the Demonic Bible the original biblical text is interrupted by a cartoon demon and angel who have an honest debate about the characters and ideas that are presented through familiar Bible stories With a bit of humor and a touch of sacrilege the Bible becomes a much more dynamic and relevant document The blasphemy of a demonic voice liberates the Bible from stifling sanctimony Do you dare to converse with demons Believers who are going through a crisis of faith may find in the pages of the Demonic Bible the material for a more mature religious identity Christians experiencing a deconstruction can find reflections of their experience in these pages along with the material from which to reconstruct a post Christian version of their lives There are remarkable surprises to be found in the Bible under the honest guidance of a critical demon The sexual adventures of Abraham demolish the idea that biblical marriage only consists of a union between one man and one woman Noah s curse of his son Ham is revealed to be the ideological origin of the terrible institutions of slavery and racist intolerance The greed of Joseph provides a template for the cruelty of DOGE under Elon Musk and Donald Trump Of course the Bible is a very long book and the addition of diabolical commentary makes it even longer For this reason The Demonic Bible is divided into many separate

books which is being published as a series This first book is the first installment covering the first book of the Bible the Book of Genesis Unconventionally the next book to be released in the Demonic Bible series will be the final book of the Bible the Book of Revelation    [The Satanic Bible](#) Anton Szandor La Vey,1977    **The Satanic Scriptures** Peter H.
