DeSousa,2020-05-19 To show her he s the hero she once loved he must find her son Vince Kolya inherited only one trait from his biological father a need to be on the sea The rest of his life he has tried to emulate what he learned from his unofficial adopted family the Belgardes dedicating his life to helping others instead of abusing them Unfortunately he s yet to find a woman who wants the same things he does in life It s bad enough that his wife left him but she also failed to make his boat payments while he was on a three month stint Giving up on relationships Vince throws himself into working with his family s search rescue team Highest on his to do list though is saving money to buy another boat so he can get back on the water away from the reminders of his abusive past Now that her father is dead and buried Valery Yura is coming home to her beloved state of Alaska in hopes that moving her troubled son to the place where she grew up will transform him into the loving young man he once was The last thing she needs is a distraction especially when it comes in the form of the gorgeous man she s loved her entire life Vince A few too many drinks and sexy dancing on the dock and she s repeating ancient history a situation she can t allow When her son goes missing from summer camp Valery feels that the authorities aren t doing

everything possible Although she's resigned herself to never seeing Vince again she needs his help As much as Vince tries to hold onto his feelings of anger and abandonment knowing it's paramount to protecting his heart he finds himself falling deeper and deeper for Valery Determined to give Valery closure and win back her heart Vince embarks on an all out manhunt for the missing boy What he discovers though might be a death warrant for him and the woman he can't lose again What readers are saying about the Midnight Sons series An Alaskan Adventure Who doesn't love a bad boy Match him with a tough independent female and you have a dream couple Goodreads Sam's Folly Suspense and sensual romance are expertly combined in this riveting story Goodreads Sam's Folly An escape into the remote wilderness with scenes that'll take your breath away and characters you can't help but love Goodreads Alex's Atonement Suspense and romance with a good storyline Goodreads Alex's Atonement [Alex's Atonement](#) Carmen DeSousa,2020-03-10 To be the hero he once was he needs to save her Alex Belgarde has carried the culpability of his father's death for more than ten years Every year as his family's company falls deeper into debt the guilt eats away more of his soul until there's only one answer Prepared to make the ultimate sacrifice to save his father's legacy Alex takes off on a frigid winter day with no radio and very little fuel in his seaplane He's using up the last of his reserve tank preparing to drop from the sky when he sees plane wreckage below Irene Rose has spent her life chasing her dream But after a possible terminal diagnosis she realizes how lonely her life has become and is ready to forgive her sister and beg for her family's forgiveness Instead of arriving on the island of her birth Irene finds herself stranded in the Alaskan wilderness Unbeknownst to her the pilot for the plane she chartered was a drug runner so he didn't alert authorities as they crashed While Alex's illogical idea to save his father's company is thwarted because of his obligation to help others he finds purpose in offering aid to the beautiful and intelligent Irene The attraction is mutual until Irene persuades Alex to tell her the real reason he can't simply fly them to safety or call for help Now the two castaways will have to fight the harsh winter elements as well as the drug smugglers who lost their cargo in the wreck if they want to make it home alive Not easy tasks when Irene refuses to trust Alex to get her home safely She simply can't get over the fact that as talented tough and tantalizing as he is that he was going to throw his life away when hers will probably be cut short For the first time in his life Alex will have to face his demons instead of running from them in order to win the girl and prove to himself that he's a real hero [Daire's Resolution](#) Carmen DeSousa,2022-05-24 Secrets Daire Belgarde knows that Alaska is the hiding place of the nation Nearly everyone who moves to The Last Frontier is running from someone or hiding something Even his family who was born here isn't exempt As the youngest Belgarde brother Daire has witnessed his share of revelations With all the skeletons that have already escaped their closets he would have thought that his family would be an open book Nope His very identity is the best kept mystery of all And now Daire has another secret He's in love with his boss Falling in love with a coworker is never smart when she's your direct supervisor it's downright foolhardy But it's happened and now he has to hide his feelings since he practically lives with her well at least for their 24 hour shifts During his

agonizing days off Daire fills his time working search and rescue with his Midnight Sons brothers so he won't go nuts waiting to see Silvia again Over the last few weeks it has gotten worse though because it's clear the woman he loves is also keeping a secret After almost dying at age sixteen Silvia was determined to become a rescue worker By moving to Alaska to pursue her goal she was able to leave behind her past good and bad She had to abandon her beloved mother and sister the home she loved and most importantly her identity Her greatest fear is that her past will catch up to her She knows that fact as sure as she knows she can't act on her feelings for her coworker Daire She can't bring anyone else into her nightmare What readers are saying about the Midnight Sons series An Alaskan Adventure Who doesn't love a bad boy Match him with a tough independent female and you have a dream couple Goodreads Sam's Folly Suspense and sensual romance are expertly combined in this riveting story Goodreads Sam's Folly An escape into the remote wilderness with scenes that'll take your breath away and characters you can't help but love Goodreads Alex's Atonement Suspense Romance Action and Drama Midnight Sons Series Has IT ALL Goodreads Vince's Chance This series just keeps getting better Goodreads Erik's Revelation
