**The Dinner** Herman Koch, 2017-03-28 Now a major motion picture starring Richard Gere Laura Linney Steve Coogan Rebecca Hall and Chlo Sevigny An internationally bestselling phenomenon the darkly suspenseful highly controversial tale of two families struggling to make the hardest decision of their lives all over the course of one meal It's a summer's evening in Amsterdam and two couples meet at a fashionable restaurant for dinner Between mouthfuls of food and over the scrapings of cutlery the conversation remains a gentle hum of polite discourse But behind the empty words terrible things need to be said and with every forced smile and every new course the knives are being sharpened Each couple has a fifteen year old son The two boys are united by their accountability for a single horrific act an act that has triggered a police investigation and shattered the comfortable insulated worlds of their families As the dinner reaches its culinary climax the conversation finally touches on their children As civility and friendship disintegrate each couple show just how far they are prepared to go to protect those they love Skewering everything from parenting values to pretentious menus to political convictions this novel reveals the dark side of genteel society and asks what each of us would do in the face of unimaginable tragedy A European Gone Girl The Wall Street Journal

**Branding Books Across the Ages** Helleke Braber,Jeroen

Dera,Jos Joosten,Maarten Steenmeijer,2025-10-01 For many literature and marketing are considered opposite phenomena. This book discusses cases in which the two are closely connected. It argues that literature is subject to the same mechanisms as other commercial products our experience of literary texts is prefigured by brands trademarks that identify a product and differentiate it from its competitors. From the early modern period onwards literary authors and their texts are constantly branded and have been both the object and the trailblazer of a complex marketing process. The authors of this volume analyze this branding process throughout the centuries focusing on the Netherlands. To what extent is our experience of Dutch literature prefigured by brands and what role does branding play when introducing European authors in the Dutch literary field or vice versa. By answering these questions *Branding Books Across the Ages* seeks to show how literary scholars understand branding a phenomenon that has long been intertwined with literature

Dear Mr. M: a Novel Herman Koch,Sam Garrett,2016-09-26 The tour de force hair raising new novel from Herman Koch New York Times bestselling author of *The Dinner* and *Summer House with Swimming Pool*. Once a celebrated writer M s greatest success came with a suspense novel based on a real life unsolved disappearance. It told the story of a history teacher who went missing one winter after his brief affair with a stunning pupil. Upon publication M s novel was a bestseller one that marked his international breakthrough. That was years ago and now M s career is almost over as he fades increasingly into obscurity. But not when it comes to his bizarre seemingly timid neighbor who keeps a close eye on him. Why. From various perspectives Herman Koch tells the dark tale of a writer in decline a teenage couple in love a missing teacher and a single book that entwines all of their fates. Thanks to M s novel supposedly a work of fiction everyone seems to be linked forever until something unexpected spins the story off its rails. With racing tension sardonic wit and a world renowned sharp eye for human failings Herman Koch once again spares nothing and no one in his gripping new novel a barbed tour de force suspending readers in the mysterious literary gray space between fact and fiction
