The Doorman A Novelette:

The Crenshaw Vampire a Novelette by Derrick Ellis Derrick Ellis,2012-06-08 The Crenshaw Vampire Jack Lewis is an ex police officer who lives a triple lifestyle to his wife he s a lovable husband and family man in the street life he deals in the underworld and is a known womanizer However Jack has a dark side to him that s furious and dangerous that leads him on a path of uncontrollable murders Can Jack be stopped before another person comes up dead The Comic Killer Growing up in Hollywood CA Denver Thomas was destined to be a rising stand up comic star Moving into a shelter after the death of his mother and the incarceration of his father Denver became interested in pursuing a career in stand up comedy However after a series of events happened Denver Thomas sets up a plan to get his revenge on the entire comedy game **Dance**

Between Two Cultures William Luis,2001 Offers insights on Latino Caribbean writers born or raised in the United States who are at the vanguard of a literary movement that has captured both critical and popular interest In this groundbreaking study William Luis analyzes the most salient and representative narrative and poetic works of the newest literary movement to emerge in Spanish American and U S literatures The book is divided into three sections each focused on representative Puerto Rican American Cuban American and Dominican American authors Luis traces the writers origins and influences from the nineteenth century to the present focusing especially on the contemporary works of Oscar Hijuelos Julia Alvarez Cristina Garcia and Piri Thomas among others While engaging in close readings of the texts Luis places them in a broader social historical political and racial perspective to expose the tension between text and context As a group Latino Caribbeans write an ethnic literature in English that is born of their struggle to forge an identity separate from both the influences of their parents culture and those of the United States For these writers their parents country of origin is a distant memory They have developed a culture of resistance and a language that mediates between their parents identity and the culture that they themselves live in Latino Caribbeans are engaged in a metaphorical dance with Anglo Americans as the dominant culture Just as that dance represents a coming together of separate influences to make a unique art form so do both Hispanic and North American cultures combine to bring a new literature into being This new body of literature helps us to understand not only the adjustments Latino Caribbean cultures have had to make within the larger U S environment but also how the dominant culture has been affected by their presence **Novelette** Audrey Lillian Barker,1951 **The Doorman's Repose** Chris Raschka,2017-05-02 From Caldecott Award winner Chris Raschka tales of unforgettable characters who live in a NYC apartment building To the company of ur New Yorkers like Stuart Little Harriet the Spy and Lyle Lyle Crocodile let me hold open the door for The Doorman s Repose A new favorite Gregory Maguire marvelously intriguing stories Lemony Snicket Some of us look up at those craggy mysterious apartment buildings found in the posher parts of New York City and wonder what goes on inside The Doorman s Repose collects ten stories about 777 Garden Avenue one of the craggiest The first story recounts the travails of the new doorman who excels at all his tasks except perhaps the most important one talking baseball

Others tell of a long forgotten room a cupid like elevator and the unlikely romance of a cerebral psychologist and a jazz musician both of whom are mice Because the animals talk and the machinery has feelings these are children's stories Otherwise they are for anyone intrigued by what happens when many people strangers or kin live together under one roof
