**Big Picture Parents** Harriet Connor, 2017-01-20 Being a parent in the modern world is tough We are often overwhelmed with fear about damaging our children guilt about our imperfections and confusion about our role Harriet Connor knows these feelings well But hers is not just another parenting book full of shoulds and shouldn'ts to make you feel worse Rather she invites you to step back and consider the bigger picture What is the purpose of life and parenthood What are our human limitations How can we cope with our guilt and fear What are our family's values and how do we pass them on What is our family's structure and place within the wider community When she was desperate for answers Harriet Connor turned to the ancient wisdom of her ancestors the Bible She went looking for little pieces of grandmotherly advice but what she found was a grand vision a big picture that made sense of both life and parenthood Whether you are new to the Bible or have read it before you will not regret taking time to reflect on its message which has given comfort and guidance to generations of parents just like you

*The Duties of Parents* J. C. Ryle, 2018-12 Training your children well and not causing them to stumble in any way ought to be one of the highest priorities of Christian parents In *The Duties of Parents* J C Ryle presents seventeen simple and yet profound responsibilities of Christian parents Nothing new is contained in this little volume yet what is presented has the potential to change future generations both now and for eternity Learn how to shepherd your children learn how to utilize the most significant key of all love and learn first and foremost how to present and represent Christ to your children As you read this book expect to find yourself both challenged and excited to begin a wonderful appropriate and growing relationship with the most wonderful gift God can give us in our lifetime our dear children      [Trade Circular Annual for ...](#) ,1871      *The Banner of Sovereign Grace Truth* ,1993      **The Duties of Parents by J. C. Ryle: Annotated** J. C. Ryle, 2021-08-16 This remember is the first step in religion which a child is able to take Long before he can read you can teach him to kneel by his mother's side and repeat the simple words of prayer and praise which she puts in his mouth And as the first steps in any undertaking are always the most important so is the manner in which your children's prayers are prayed a point which deserves your closest attention Few seem to know how much depends on this You must beware lest they get into a way of saying them in a hasty careless and irreverent manner You must beware of giving up the oversight of this matter to servants and nurses or of trusting too much to your children doing it when left to themselves I cannot praise that mother who never looks after this most important part of her child's daily life herself Surely if there be any habit which your own hand and eye should help in forming it is the habit of prayer Believe me if you never hear your children pray yourself you are much to blame You are little wiser than the bird described in Job which leaves her eggs in the earth and warms them in the dust and forgets that the foot may crush them or that the wild beast may break them She is hardened against her young ones as though they were not hers her labor is in vain without fear Prayer is of all habits the one which we recollect the longest Many a grey headed man could tell you how his mother used to make him pray in the days of his childhood Other things have

passed away from his mind perhaps The church where he was taken to worship the minister whom he heard preach the companions who used to play with him all these it may be have passed from his memory and left no mark behind But you will often find it is far different with his first prayers He will often be able to tell you where he knelt and what he was taught to say and even how his mother looked all the while It will come up as fresh before his mind s eye as if it was but yesterday
