## **The Drunken Cookbook:**

The Drunken Cookbook Milton Crawford, 2014-09-09 Whether it's a quiet glass of Chardonnay in a well-heeled wine bar or tequila shots at 2 a.m. drinking has a way of leading to hunger. All too often we cave in to the booze munchies and settle for 7 Eleven fare or a dreadful diner. But there is another way. A better way. A Quick Couscous Chicken Biryani. Authentic Smoky Chicken Burritos and even Spicy Thai style Pork Burgers can be delectable and more importantly achievable with The Drunken Cookbook. Replete with satirical commentary on the vicissitudes of inebriation, The Drunken Cookbook also includes a series of tests to help the reader determine how drunk he or she is. Blessedly, The Drunken Cookbook takes into account the reader's intoxicated state and limited capacity to understand directions; safety warnings are a feature of each recipe and risky techniques like deep fat frying are excluded from the text.

**The Hungover Cookbook** Milton Crawford, 2011-05-31 Everything you need to know to assess, understand and improve a hangover is here: dozens of comforting recipes, very clever graphic tests for analyzing your state of mind and quizzes for tracking your progress. A good hangover brings its victim to a new state of mind and one that when looked at objectively can be quite fascinating to its host. It can create an increased awareness of the body, a willingness to eat something usually off limits and a fascination with the mind's strange acrobatics. With P.G. Wodehouse's six hangovers, The Broken Compass, The Sewing Machine, The Comet, The Atomic, The Cement Mixer and The Gremlin Boogie as a starting point, recipes are tailored to each specific malady, allowing the reader to find a recipe or just a menu item that precisely suits his state of mind and body. Interspersed with the recipes are mind games, witticisms and graphic jokes, insights into hangover science, quizzes to see if you are still drunk or now just merely hungover and more.

It is not healthy, it is not safe but like a miracle it happens and you don't know how. It is only in the morning after that you discover what your drunk you has done and then you remembered the amazing meal you prepared yourself. This book is made to help everyone to prepare the best meal ever while totally wasted. It's fun, it has real recipes plus many tips on how to fight against hangover or how to cook without making any noise.
