## **The Decameron The Worlds Classics:**

**A Syllabus of World Classics** Christian Nat Wenger, 1930      **The Best of the World's Classics, Restricted to Prose**  
Henry Cabot Lodge, Francis Whiting Halsey, 1897      The Best of the World's Classics Henry Cabot Lodge, Francis Whiting Halsey, 1909      **The Prince** Niccolò Machiavelli, 1998 The book has been variously described as the first to analyse the role of the political elite as the one which established the independence of politics from theology as an early formulation of the political myth required to galvanize apolitical masses into revolutionary action as a practical rule book containing timeless precepts for the diplomat and most frequently as the handbook of evil Based upon Machiavelli's first hand experience as an emissary of the Florentine Republic to the courts of Europe The Prince analyses the often violent means by which political power is seized and retained and the circumstances in which it is lost Above all it provides a remarkably uncompromising picture of the true nature of power no matter in what era or by whom it is exercised      *Books & Reading* William Edward Simnett, 1930      The Charterhouse of Parma Stendhal, 1999-09-09 The Charterhouse of Parma 1839 is a compelling novel of passion and daring of prisons and heroic escape of political chicanery and sublime personal courage Set at the beginning of the nineteenth century amidst the golden landscapes of northern Italy it traces the joyous but ill starred amorous exploits of a handsome young aristocrat called Fabrice del Dongo and of his incomparable aunt Gina her suitor Prime Minister Mosca and Clia a heroine of ethereal beauty and earthly passion These characters are rendered unforgettable by Stendhal's remarkable gift for psychological insight Never before have the hearts of princes ministers courtiers and women been depicted like this wrote Honor de Balzac Stendhal's tableau has the dimensions of a fresco but the precision of the Dutch masters The great achievement of The Charterhouse of Parma is to conjure up the excitement and romance of youth while never losing sight of the harsh realities which beset the pursuit of happiness nor the humour and patient irony with which these must be viewed This new translation captures Stendhal's narrative verve while the Introduction explores the novel's reception and the reasons for its enduring popularity and power ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more      **The Masterpiece** Émile Zola, 1999 This is the most autobiographical of the 20 novels in Zola's Rougon Macquart series It provides an insight into his friendship with Cezanne and presents an account of the turbulent Bohemian world in which the Impressionists came to prominence      **The Sin of Abbé Mouret** Émile Zola, 2017-05-04 I really don't understand how people can blame a priest so much when he strays from the path The Sin of Abbé Mouret tells the compelling story of the young priest Serge Mouret Striving after spiritual purity and sanctity he lives a life of constant prayer but his neglect of all physical needs leads to serious illness followed by amnesia No longer knowing he is a priest he falls in love with his nurse

Albine Together like a latter day Adam and Eve they roam through an Eden like garden called the Paradou seeking a forbidden tree in whose shade they will make love Zola memorably shows their gradual awakening to sexuality and his poetic descriptions of the luxuriant and beautiful Paradou create a lyrical celebration of Nature When Serge regains his memory and recalls his priestly vows anguish inevitably follows The whole story with its numerous biblical parallels becomes a poetic reworking of the Fall of Man and a questioning of the very meaning of innocence and sin Zola explores the conflict between Church and Nature the sterility of the Church and the fertility of Nature This new translation includes a wide ranging and helpful introduction and explanatory notes      *The Notebooks of Malte Laurids Brigge* Rainer Maria Rilke,2016-05-16 An indescribable aching futile longing for myself The young Danish aristocrat Malte Laurids Brigge has been left rootless by the early death of his parents Now living in Paris Malte begins to record his life in a series of loosely connected notes diary entries prose poems parables and stories ostensibly collected by a fictional editor to form the Notebooks Focusing on Malte s observations and experiences in the present recollections of his childhood and family and his reflections on historical events these notes in highly crafted poetic prose explore the themes of life in the metropolis poverty sickness and death love memory and time and perception and language The only extended prose work by the German poet Rainer Maria Rilke The Notebooks of Malte Laurids Brigge is a landmark in the development of the twentieth century novel It marks a radical departure from nineteenth century realism transcending conventions of linear narrative to reflect a consciousness in crisis and an archetypal confrontation with the modern ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more      **The Bright Side of Life** Émile Zola,2018-07-19 Neither spoke another word they were gripped by a shared unthinking madness as they plunged headlong together into vertiginous rapture Orphaned with a substantial inheritance at the age of ten Pauline Quenu is taken from Paris to live with her relatives Monsieur and Madame Chanteau and their son Lazare in the village of Bonneville on the wild Normandy coast Her presence enlivens the household and Pauline is the only one who can ease Chanteau s gout ridden agony Her love of life contrasts with the insularity and pessimism that infects the family especially Lazare for whom she develops a devoted passion Gradually Madame Chanteau starts to take advantage of Pauline s generous nature and jealousy and resentment threaten to blight all their lives The arrival of a pretty family friend Louise brings tensions to a head The twelfth novel in the Rougon Macquart series The Bright Side of Life is remarkable for its depiction of intense emotions and physical and mental suffering The precarious location of Bonneville and the changing moods of the sea mirror the turbulent relations of the characters and as the story unfolds its title comes to seem ever more ironic      From Dusk Till Dawn William Garrett,1929      **The World Mirror** ,1909      The London Mercury Sir John Collings Squire,1923

The Publishers' Trade List Annual ,1904      **Publishers' Weekly** ,1905      *Jacques the Fatalist and His Master* Denis Diderot,1999 Your Jacques is a tasteless mishmash of things that happen some of them true others made up written without style and served up like a dog s breakfast Jacques the Fatalist is Diderot s answer to the problem of existence If human beings are determined by their genes and their environment how can they claim to be free to want or do anything Where are Jacques and his Master going Are they simply occupying space living mechanically until they die believing erroneously that they are in charge of their Destiny Diderot intervenes to cheat our expectations of what fiction should be and do and behaves like a provocative ironic and unfailingly entertaining master of revels who finally show why Fate is not to be equated with doom In the introduction to this brilliant new translation David Coward explains the philosophical basis of Diderot s fascination with Fate and shows why Jacques the Fatalist pioneers techniques of fiction which two centuries on novelists still regard as experimental      *The Publishers' Circular and Booksellers' Record* ,1930      The Nation and the Athenaeum ,1924  
**The Nation and Athenæum** ,1924      An Anthology of World Prose Carl Van Doren,1935
