How to Become an AI Millionaire in 2026 and Beyond DOCTOR ROOTS , A new kind of gold rush is here not one of pickaxes and dirt but of ideas innovation and determination How to Become an AI Millionaire in 2026 and Beyond is more than a book it s a movement a wake up call and a roadmap for anyone ready to claim their place in the future that s already unfolding before us The author invites you to see this extraordinary age of artificial intelligence not as a threat but as the most incredible opportunity of our lifetime The future no longer belongs only to the rich the connected or the educated elite it belongs to those who dare to dream to act and to learn You do not need a college degree or even a high school diploma to succeed in this new era What you need is a vision for your life the determination to pursue it and the willingness to learn and act decisively Across the world ordinary people are already transforming their lives through this new digital revolution a single mother building her online business from home a retired teacher creating income streams with AI powered tools and a young student using a simple laptop to reach a global audience They all started with nothing more than courage curiosity and commitment and now they are thriving So can you This book gives you a step by step blueprint for building wealth intelligently ethically and sustainably in the AI driven economy Inside the author will show you how to Turn your ideas into real income streams using simple digital tools Build profitable ventures that grow even while you sleep Discover powerful AI platforms that multiply your creativity and productivity Develop the mindset that transforms obstacles into opportunities Create lasting financial freedom before 2026 and continue building beyond it But this journey is about far

more than money It s about transformation stepping out of fear breaking the limits others placed on you and reclaiming your power to create the life you deserve Each page of this book is designed to reignite your belief in yourself and remind you that greatness doesn t require permission it requires purpose persistence and bold action The author writes with warmth clarity and passion turning complex technology into a message of hope empowerment and possibility His voice speaks directly to those who have been overlooked underestimated or told that success is reserved for someone else This book is proof that the door to prosperity is open to everyone willing to walk through it The truth is simple the future will not wait Every moment of hesitation is a moment of opportunity lost The next generation of millionaires is already being created not in boardrooms or universities but in bedrooms coffee shops and living rooms around the world The only question left is whether you will watch it happen or make it happen Your future is calling Your time is now Take your place in this new era of wealth purpose and limitless possibility with How to Become an AI Millionaire in 2026 and Beyond Hyper-Speed Artificial Intelligence Digital Marketing (AIDM) Technology Certification Coursebook Srinidhi Ranganathan, Stop learning digital marketing the outdated way Forget everything you think you know about digital marketing The tactics that worked last year are dead The tools you re using today will be obsolete in 6 months The agencies charging 50 lakh rupees per month for digital marketing solutions are about to become irrelevant This book isn t about the past of digital marketing This book is about the future And it s written by someone already living in it Srinidhi Ranganathan known as Digital Marketing Legend has been teaching AI powered digital marketing since 2006 before most people even knew what AI meant in business He s watched the landscape transform completely He s built systems that generate results in days that competitors take months to achieve Now he s sharing everything In Hyper Speed Artificial Intelligence Digital Marketing AIDM Technology Certification Coursebook Srinidhi reveals the exact frameworks tools and strategies he uses to Compress 12 months of marketing execution into 30 days Create 20 pieces of content in the time it takes others to create 1 Automate sales processes that used to require entire teams Scale businesses 5X to 10X in the first year Build AI powered marketing machines that work 24 7 without his involvement This isn t theory This isn t inspiration This is the practical blueprint Srinidhi uses with startups and corporations The same blueprint that has generated millions in revenue The same frameworks his premium consulting clients pay 1 lakh rupees per month to access Now it s available in this coursebook You ll discover The three pillars of Hyper Speed AIDM that change how you think about marketing forever The seven layer AI marketing stack that creates exponential competitive advantage How to create 100 articles per week without writer s block The email automation sequences that convert 8% to 12% of subscribers into customers How to automate your sales funnel so it generates leads while you sleep The exact social media strategy that built a 100K audience organically Advanced AI tools that most marketers don t even know exist How to scale your business without hiring a large team Every chapter ends with a practical secret that multiplies your results Every section includes real numbers and real outcomes Every framework is battle tested in the field If you re tired of digital

marketing moving at a snail's pace if you're frustrated watching competitors with bigger teams get better results if you're ready to operate at a different order of magnitude this book is for you This is the book that digital marketing legends are writing about This is the playbook that will define your next decade For Employees If you work in marketing this book will make you invaluable to your organization You'll be able to propose and execute strategies that competitors can't match You'll become the person who delivers 10X results For Freelancers If you're a digital marketer selling services this book teaches you to deliver in days what competitors take weeks to complete You can charge premium rates You can scale your income without working more hours For Entrepreneurs If you're building a business this book gives you the playbook to execute marketing that rivals companies 10X your size You can compete with limited budget and team You can grow faster than traditional businesses can scale For Marketing Agencies If you run an agency this book shows how to deliver 5X more value to clients while reducing your operational costs You can take on bigger clients You can charge premium rates You can scale your agency predictably For Anyone Worried About AI Replacing Them If you're concerned AI will replace marketing professionals this book shows the opposite AI amplifies good marketers It makes them more valuable not less The future belongs to people who can direct intelligence not those who ignore it

Artificial Intelligence And Innovation

Management Stoyan Tanev, Helena Blackburn, 2022-03-09 Artificial Intelligence and Innovation Management contributes to the ongoing debate among innovation scholars and practitioners focusing on the potential impact of Artificial Intelligence AI on the ways companies and organizations do business operate and innovate It considers AI as a source of innovation both in terms of innovation within the field of AI itself AI innovation and in terms of how it enables or disrupts innovation in other fields AI driven innovation The book's content is driven by several important conclusions It is therefore both necessary and timely to explore the different aspects of the relationship between AI and IM The contributors to this book include both scholars and practitioners from multiple countries and different types of institutions They were selected based on their ability to provide a relevant distinctive perspective on the relationship between AI and IM the degree of their professional engagement with the field their ability to contribute to the thematic and contextual diversity of the contributions and their ability to provide actionable insights for both innovation scholars and practitioners Helena Blackburn Mälardalen University Sweden and Stoyan Tanev Carleton University Canada are chairing the Special Interest Group on AI and IM at the International Society for Professional Innovation Management <https://www.ispim.innovation.com>
