**New Marriage, Same Couple** Josh Walters, Katie Walters, 2024-01-09 For better or for worse, for richer or for poorer, in sickness and in health. We say those words and mean them. Until we don't. This is a book about creating a different, better new kind of marriage with the exact same person no matter how dire the circumstances with vision, commitment and hope in the Lord. Remember those early days of love. When your heart felt all fluttery and you saw your person through rose-colored glasses. They could do no wrong. You were going to have the most beautiful life with big adventures and lots of sex. Of course, everyone says marriage is work you knew that. But that was okay, you could get through anything together. It was going to be great. Until it wasn't. Something happened. Or maybe nothing happened. Maybe it was one big something or a lot of little somethings over many years that landed you in a marriage you hardly recognize. For Josh and Katie Walters, it was a big something: infidelity. Now they counsel couples who find themselves exactly where they were: lost, hopeless and unsure of how to fix their marriage. This book lays out the
