Instagram has grown to be one of the largest social media platforms. With over 700 million monthly users it is the gateway between you and your soon to be customers or clients. I knew I needed to figure out Instagram. So I started doing some research. That research went from just looking at a few blog posts and Instagram accounts into a massive passion project. While I did start this as a blog post The Ultimate Guide to Instagram it continued to grow the more research I did. To date I have over 250 hours of research into Instagram. I found that none of the blog posts books or reports I read had much outside of a few hacks or one specific thing. This frustrated me so I started to piece every piece of information I could find on Instagram together. After that blog post passed 6 000 words I decided to finish it as a book so I can have all this information in one location that is easy for people to keep on hand. So follow along in this Instagram Guide and learn the basics and more. The following are some of the topics covered within the InstaGuide: How to create an Instagram account. How to use analytics Business Tools within Instagram. What do I post to Instagram. What are hashtags and how do I use them. What should I post in my Instagram captions. What is a GeoTag. How often should I post on Instagram. Should I repost other peoples posts on Instagram. What can I do with an Instagram video. What do I do after I post to Instagram. What is Instagram Stories. How do I use Instagram Live. How to use Instagram Direct Messages. That is not all I have also include some of the best Instagram hacks to grow your following and increase your engagement online. This book also comes with some FREE bonus content including Video trainings, PDFs, Photoshop Templates for Instagram and so much more. The bonus package is web hosted so you will be able to have 24/7 access to it. It will also allow me to keep updates and other tools you need available for you.
