Nhl Opening Night Today

Jim Hynes

Nhl Opening Night Today:

The NHL's Mistake by the Lake Gary Webster, 2021-09-23 The Cleveland Barons should never have existed Born when the National Hockey League's California Golden Seals another team that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn't really want it *Miracle Moments in Montreal Canadiens History* Jim

Hynes, 2016-10-04 The Habs Les Glorieux La Sainte Flanelle the Montreal Canadiens have almost as many nicknames as they do Stanley Cup Championships twenty four In *Miracle Moments in Montreal Canadiens History* the first book of a new sports series Montreal native Jim Hynes details twenty four memorable moments in the history of hockey's oldest franchise Over the course of three periods the regular season the playoffs and off the ice relive the highest of highs and lowest of lows of the National Hockey League's signature franchise from their founding in 1909 for the enjoyment of Montreal's French Canadian population to their centennial season of 2009 and beyond Rub shoulders with the legendary players from Rocket Richard and Jean Beliveau to Guy Lafleur and Patrick Roy and the owners managers and coaches who pulled the strings creating both dynasties and catastrophic failures along the way From Phantom Joe Malone's five goal night in the NHL's founding season of 1917 to Jacques Plante's debut of the goalie mask in 1959 Captain Saku Koivu's courageous battle with cancer in 2002 and much more this book brings it all to life Now hear the chants sing the songs feel the thunderous ovations then stand and cheer or mercilessly boo along with those who came before transfixed before their TV sets or in the shrines to hockey that are the legendary Montreal Forum and its successor the raucous Bell Centre Through the pages of this book join those still watching waiting hoping and praying for that elusive twenty fifth Stanley Cup **Skate or Die** Steven Violetta, 2022-05-31

Skate or Die is *Slap Shot on Steroids* I know it will be enjoyed by many Dave Hanson ten years as a pro hockey player and star of the movie *Slap Shot* Hockey fans will love the assortment of players on this team Author Steve Violetta has been around hockey his entire life so he's seen these types of players for years adding to the realism *Fighting The Code* so many hockey terms and situations are weaved into this story I love the way the sport is written about Very detailed and no situation was unbelievable Russ Cohen of NHL Network Radio A minor league hockey team with a checkered past of success has reached a crossroads with their landlord the Charlestowne City Government The city owns and operates the old failing but still somewhat charming hockey arena City Hall and their partners have determined they can make much more money with concerts and other flat shows than they can with a losing minor league hockey team taking up many of the prime Friday and Saturday nights There was simply too much cash to be had City Hall and their political and mafia enablers got greedy They

wanted all the money This story chronicles the thirty eighth and last voyage of the Icemen It s told by the team s veteran player assistant coach He delves into the personalities quirks and general debauchery of players coaches management ownership as well as their eccentric fans Heading into that final season the Icemen are not expected to accomplish much But through player roster shuffles by the general manager bonding with some longtime fans and digging deep into a reservoir of personal and professional pride the Icemen cobble together an unlikely unexpected and unapologetic final season This is the unvarnished journal of the Icemen s last voyage There is hockey action Along with all the cussing fussing fighting biting depravity and epic trash talk of a minor league hockey team that has nothing to lose You have a front row seat in the Icemen locker room But please leave your political correctness at the door before entering USA Today ,1991 *Bell & Howell Newspaper Index to USA Today* ,1986
