Marc Rembrandt Kathi S. Barton,2015-01-09 1800 years ago It was time for him to die Rembrandt was ready He had put up a good fight and nearly died twice that day but now he was done and he was ready to die on the battlefield with the rest of his brethren Death would be merciful He would finally be with his wife and children A being clad in black had other ideas Rembrandt was meant to help him fight his cause and to help right a wrong that his kind had brought to this world He gifted the reluctant Rembrandt with a taste for blood and immortality and more so much more Back to the present Rembrandt had had enough He was over this life 1800 years ago and now he was just sick of it The creatures he fought the malefactors kept growing in numbers and he couldn t kill them fast enough to keep up He had fought the battle alone all these years and he wasn t sure he even wanted to anymore Skylar Manning was just trying to be nice The mysterious man dressed in black was hanging around after closing again It was the third time this week Only this time he grabbed her arm Her world changed

Barton,2015-06-26 Two Men Joined By Fate Asher and Kiaran were joined at birth by the dying decree of the Dragon King literally Asher had his own bit of magic as a 3 000 year old immortal and Kiaran was his dragon shifter Out in society Kiaran was a part of Asher absorbed into Asher's body only being able to separate in dragon form At their birth home the two men could exist apart from each other as men They protected each other and would until their dying breath if it ever came to that They shared everything that is until Essie came along Essie was doing her best to hide from a mother that didn't even recognize her own daughter The witch had poisoned her with a scratch and if Essie wasn't healed soon she'd die Sick or not she didn't want anything to do with that handsome overbearing barbarian Asher nor that rude dragon that protected him She was doing just fine on her own But Asher had other things on his mind and after a while brings Essie around to his way of thinking and makes her his wife but Kiaran brought up a valid point Essie was his mate too Could Essie find it in her heart to love both men equally To share the bed of both together Asher's five brothers and their dragons watched the scenario unfold with bated breaths The subject had never been broached and all their futures hung on the outcome
