**Managing Infrastructure Projects (Second Edition)**

Willie Tan,2023-11-06 This book is about managing the infrastructure development cycle from project initiation to the end of the operation and maintenance phase. It focuses on the public private partnership contract and from this perspective private and public sector procurement are variations. The book presents general principles that are applicable in different countries particularly in the developing world where markets and other institutions are less developed and uses examples to clarify ideas. In this second edition each chapter has been expanded and updated. The treatment is more balanced between pre tender and post tender stages of infrastructure development. Designed for students from different backgrounds such as information technology business architecture quantity surveying urban planning project management engineering construction facilities management transport finance economics and law the book provides a structured guide to these diverse students as well as researchers public officials project sponsors lenders developers contractors subcontractors suppliers investors infrastructure fund managers insurers facilities managers non government organizations and consultants such as designers engineers environmental specialists legal advisors and brokers

**Africa Bible Commentary, Second Edition** Zondervan,2025-10-28 The first edition of Africa Bible Commentary was a ground breaking publishing event the first one volume Bible commentary produced in Africa by African theologians to meet the needs of African pastors students and lay leaders. Interpreting and applying the Bible in the light of African cultures and realities today. Now this revised and updated second edition almost twenty years after the release of the first continues to bring powerful and relevant insights into the biblical text. Bringing together over 100 gifted scholars from across the continent and interacting with recent scholarship and issues that face African Christians today this new edition raises the benchmark set by its predecessor all those years ago. Ideal for students of the Bible and preachers both in Africa and around the world this updated edition has over 40% new and extensively revised commentaries across the Old and New Testament. Deepening the contextual relevance of the commentary this second edition boasts seventy five new articles resulting in 122 articles that provide insight into the most pertinent issues facing the church in Africa today. Key features Produced by African biblical scholars in Africa for Africa and for the world Section by section interpretive commentary and application More than 70 special articles dealing with topics of key importance for ministry in Africa today but that have global implications 70 African contributors from both English and French speaking countries Transcends the African context with insights into the biblical text and the Christian faith for readers worldwide
