Time Magazine Israel At 25:

The New York Times Magazine ,1973 We Are Not One Eric Alterman,2022-11-22 A bestselling historian uncovers the surprising roots of America's long alliance with Israel and its troubling consequences Fights about the fate of the state of Israel and the Zionist movement that gave birth to it have long been a staple of both Jewish and American political culture But despite these arguments significance to American politics American Jewish life and to Israel itself no one has ever systematically examined their history and explained why they matter In We Are Not One historian Eric Alterman traces this debate from its nineteenth century origins Following Israel's 1948-1949 War of Independence called the nakba or catastrophe by Palestinians few Americans including few Jews paid much attention to Israel or the challenges it faced Following the 1967 Six Day War however almost overnight support for Israel became the primary component of American Jews collective identity Over time Jewish organizations joined forces with conservative Christians and neoconservative pundits and politicians to wage a tenacious fight to define Israel's image in the US media popular culture Congress and college campuses Deeply researched We Are Not One reveals how our consensus on Israel and Palestine emerged and why today it is fracturing

Netanyahu vs The Generals Guy Ziv,2024-01-18 Benjamin Netanyahu has carefully cultivated a self image as Israel's Mr Security during his decades of political activity His reputation as a security minded leader has resonated with large swathes of the Israeli public enabling him to become Israel's longest serving prime minister Yet the Israeli security community has long questioned Netanyahu's approach to national security The Netanyahu era has seen unprecedented civil military tensions while retired generals and former heads of the Mossad and Shin Bet intelligence agencies some of whom were appointed by Netanyahu have publicly rejected both his leadership and his policies Drawing on interviews with dozens of senior veterans of the Israeli security establishment this book addresses this intriguing paradox It sets out to explain the mutual distrust and intense disagreements between Netanyahu and the security community as well as the underlying reasons behind the Israeli public's inattention to the collective judgment of hundreds of ex generals and former spymasters

Israel at War Joel C. Rosenberg,2012-10-12 Is the crisis in the Middle East hurtling toward the point of no return Israel's prime minister Benjamin Netanyahu tells the U N that Iran could have nukes by spring Iran's president Mahmoud Ahmadinejad has called for the end of the United States and Israel Chaos is erupting throughout the region Rumors abound of an impending Israeli first strike against Iran's nuclear program Is war imminent New York Times best selling author Joel C Rosenberg looks at the events developing in the Middle East and asks the tough questions Could Israel launch a preemptive strike at any moment How might an Israel Iran war set the Middle East on fire What should we be watching for Israel at War will help you understand what is happening right now behind the scenes in this volatile region and how this high stakes showdown could affect the future of the Middle East and the world

The Genesis of Israel and Egypt Emmet Sweeney,2023-10-01 The Genesis of Israel and Egypt examines the earliest phase of historical consciousness in the ancient Near East looking in

particular at the mysterious origins of Egypt's civilization and its links with Mesopotamia and the early Hebrews. The book takes a radically alternative view of the rise of high civilization in the Near East and the forces which propelled it. The author, Emmet Sweeney, finds that the early civilizations developed amidst a background of massive and repeated natural catastrophes, events which had a profound effect upon the ancient peoples and left its mark upon their myths, legends, customs, and religions. Ideas found in all corners of the globe, concepts such as dragon worship, pyramid building, and human sacrifice are shown by Sweeney to have a common origin in the cataclysmic events of the period termed the eruptive age by legendary English explorer Percy Fawcett. Terrified and traumatized by the forces of nature, people all over the world began to keep an obsessive watch on the heavens and to offer blood sacrifices to the angry sky gods. These events, which are fundamental to any understanding of the first literate cultures, have nonetheless been completely effaced from the history books and an official history of mankind which is little more than an elaborate fiction now graces the bookshelves of the world's great libraries. Starting with clues unearthed by history sleuth Immanuel Velikovsky and others, Emmet Sweeney takes the investigation further. While the Near Eastern civilizations are generally considered to have taken shape around 3300 BC, about 2,000 years before those of China and the New World, Alignment demonstrates that they had no 2,000-year head start. All the ancient civilizations arose simultaneously around 1300 BC in the wake of a terrible natural catastrophe recalled in legend as the Flood or Deluge. Sweeney points out that the presently accepted chronology of Egypt is not based on science but on venerated literary tradition. This chronology had already been established in its present form by the third century BC when Jewish historians, utilizing the History of Egypt by the Hellenistic author Manetho, sought to tie in Egypt's history with that of the Bible. Apparent gaps and weird repetitions resulted. Improbable feats like the construction of major cut stone engineering projects before the advent of steel tools or Pythagorean geometry point to the weaknesses of the traditional view. Taking a more rigorous approach and pointing to solid evidence, Emmet Sweeney shows where names overlap and where one and the same group is mistaken for different peoples in different times. Volume 1, The Genesis of Israel and Egypt, looks at the archaeological evidence for the Flood, evidence now misinterpreted and ignored. This volume examines the rise of the first literate cultures in the wake of the catastrophe and goes on to trace the story of the great migration which led groups of early Mesopotamians westward toward Egypt where they helped to establish Egyptian civilization. This migration, recalled in the biblical story of Abraham, provides the first link between Egyptian and Hebrew histories. The next link comes a few generations later with Imhotep, the great seer who solved the crisis of a seven-year famine by interpreting pharaoh Djoser's dream. Imhotep is shown to be the same person as Joseph, son of Jacob. [Up-to-the-times Magazine](#), 1919

Refuting the Anti-Israel Narrative Jeremy Havardi, 2016-04-05. In recent decades, Israel has come under sustained diplomatic pressure from the West. According to the press and the policy establishment, she acts aggressively and with disregard for civilian lives in pursuit of an unnecessary and illegal occupation of Palestinian territory. Others view the country

as an embarrassing outpost of colonialism racism and apartheid whose actions and those of the pro Israel lobby have provoked a fiery Islamist backlash This book refutes these misrepresentations showing that Israel s actions are well within the norms of international law and morality and arguing that the country far from being a deviant state is a bastion of Western values The author offers a nuanced narrative outlining the legal moral and historical justice behind Jewish statehood and discussing the reasons behind the failed peace process in recent years Summary of World Broadcasts British Broadcasting Corporation. Monitoring Service,1974 **Eye on Israel** Michelle Mart,2006-02-09 Examines the image of Israel in American culture before 1960 Street's newspaper directory ... for Great Britain and Ireland (the colonies, India, &c.) ,1903 *Annual Index to the Financial Times* ,1985 **Illustrated Catalogue and Classified Book List of the Northwestern Library Association ...** Northwestern Library Association,1899 **The Law Times Reports** ,1925 *The Expository Times* [Anonymus AC01084301],1890 **The Glory of Israel** ,1930 Young Israel; a Monthly Magazine ,1898 **The Expository Times** ,1890 A.M.F.
