Writing Prompts

1. If you found a treasure on the beach, what would you most likely to discover?
2. Imagine you wake up tomorrow in a different country with a new family..What happens next?
3. If you can create your own game, what would it be? Are there any rules for the game?
4. If you can have one wish to turn older, how old would you want to be? Why
5. Imagine being invisible for one day. What did you do that day?
6. If you can go anywhere in the world, where would you? Who would you travel with?
7. If you can end one problem in the world, what would you end?
8. Imagine if all humans turn into robots, what do you think the world would look like?
9. Write about your dream holiday
10. What do you think independence mean?

Place and Community-Based Education in Schools Gregory A. Smith, David Sobel, 2014-04-08 Place and community based education an approach to teaching and learning that starts with the local addresses two critical gaps in the experience of many children now growing up in the United States contact with the natural world and contact with community It offers a way to extend young people s attention beyond the classroom to the world as it actually is and to engage them in the process of devising solutions to the social and environmental problems they will confront as adults This approach can increase students engagement with learning and enhance their academic achievement Envisioned as a primer and guide for educators and members of the public interested in incorporating the local into schools in their own communities this book explains the purpose and nature of place and community based education and provides multiple examples of its practice The detailed descriptions of learning experiences set both within and beyond the classroom will help readers begin the process of advocating for or incorporating local content and experiences into their schools

How to Reach the Hard to Teach Jana Echevarría, Nancy Frey, Douglas Fisher, 2016-08-26 For every teacher it s different but you know who they are for you the students who are hard to teach Maybe they re reading far below grade level Maybe they re English learners Maybe they have diagnosed learning disabilities or behavioral issues Maybe they re underachieving for reasons that are unknown They have been overlooked or underserved or frustrated and they re not learning as they should Until now Until you *How to Reach the Hard to Teach* presents a thoughtful and practical approach to achieving breakthrough success with linguistically and culturally diverse students who struggle in school Combining elements of the SIOP Model and the FIT Teaching approach authors Jana Echevarría a Nancy Frey and Douglas Fisher take stock of what we know about excellent instruction and distill it into five guiding principles Set high expectations Provide access to the core curriculum Use assessment to inform instruction Attend to language development both English and academic Create a supportive classroom climate You ll learn specific practices associated with each principle and see how real life teachers are employing these practices in their classrooms so that all students have the opportunity to learn and receive optimal support for that learning Every teacher has had the experience of seeing a hard to teach student in a new light and realizing all he or she might achieve This book is about shining that light of possibility on the students who challenge us most interrogating our beliefs and taking action to ensure they receive the best instruction we have to offer
