

The image features a central photograph of a young couple in a close embrace, set against a background of large, stylized pink and green floral patterns. The man, on the right, has dark hair and is wearing a dark blue striped shirt. The woman, on the left, has long dark hair and is wearing a light grey t-shirt. They are looking towards the camera with intimate expressions. The title 'THE SPECTACULAR NOW' is overlaid in large, bold, yellow letters across the center of the photo. Below the title, the author's name 'TIM THARP' is written in large, white, sans-serif capital letters, and the text 'NATIONAL BOOK AWARD FINALIST' is written in smaller, white, sans-serif capital letters at the bottom.

Children's Books on the Big Screen Meghann Meeusen,2020-06-04 In Children s Books on the Big Screen Meghann Meeusen goes beyond the traditional adaptation

approach of comparing and contrasting the similarities of film and book versions of a text By tracing a pattern across films for young viewers Meeusen proposes that a consistent trend can be found in movies adapted from children s and young adult books that representations of binaries such as male female self other and adult child become more strongly contrasted and more diametrically opposed in the film versions The book describes this as binary polarization suggesting that starker opposition between concepts leads to shifts in the messages that texts send particularly when it comes to representations of gender race and childhood After introducing why critics need a new way of thinking about children s adapted texts Children s Books on the Big Screen uses middle grade fantasy adaptations to explore the reason for binary polarization and looks at the results of polarized binaries in adolescent films and movies adapted from picture books Meeusen also digs into instances when multiple films are adapted from a single source such as The Wonderful Wizard of Oz and ends with pragmatic classroom application suggesting teachers might utilize this theory to help students think critically about movies created by

the Walt Disney corporation Drawing from numerous popular contemporary examples Children s Books on the Big Screen posits a theory that can begin to explain what happens and what is at stake when children s and young adult books are made into movies **The Common Core Approach to Building Literacy in Boys** Liz Knowles,Martha Smith,2014-05-27
