The Power of Words

Emma Stokes,2024-10-24 This book explores the pivotal role of vocabulary in childhood development and early years curricula Recognizing the challenges some children face Stokes offers practical strategies tailored to diverse learning needs emphasising how explicit teaching of vocabulary addresses diverse the needs of learners in the classroom Introducing an original practical teaching strategy GUIDE the author aims to bridge the attainment gap for disadvantaged learners through methods of explicit teaching and a whole class direct approach An essential overview of the EYFS framework is provided enabling practitioners to contextualize their teaching with important background knowledge Empower yourself as an educator empower your children through language

McGraw-Hill Reading [Grade 4] ,2001 Self-paced Phonics G.

Thomas Baer,1999 Students can work at their own pace with minimal direct instruction using this concise workbook designed to provide future teachers with a sound understanding of both the content and pedagogy of phonics Using evaluative feedback from both students and reading professionals in the field who have used the previous edition the contents of this workbook have been expanded and strengthened to better serve the needs of prospective teachers Strong evidence indicates that children who are taught phonics at the beginning stages of reading instruction tend to do better than those who are not Therefore the concentration of this text is not on whether or not phonics should be included in beginning instruction but how phonics can be taught most effectively
