Peter Norton's Introduction to Computers Office 97 Tutorial with 3.5 IBM Disk Peter Norton, 1998-01-05 Peter Norton's new Office 97 Tutorial helps students learn to create, process and present information using Microsoft Office 97. Emphasizing hands-on instruction, this applications tutorial includes a student data disk to help students apply and practice the skills and techniques they learn in each lesson. *My Hardcover Book* Saeed Ullah Jan, 2018-01-28 Life in today's world would be unimaginable without computers. They have made human lives better and happier. There are many computers used in different fields of work. Engineers, architects, jewelers and filmmakers all use computers to design things. Teachers, writers and most office workers use computers for research, word processing and emailing. Small businesses can use computers as a point of sale and for general record keeping. Computers are now the major entertainers and the primary pass-time machines. We can use computers for playing games, watching movies, listening to music, drawing pictures. Most of the medical information can now be digitized from the prescription to reports. Computation in the field of medicine allows us to offer varied, miraculous therapies to the patients. ECG's, radiotherapy, wasn't possible without computers.
