**Competency-Based Resumes** Robin Kessler, 2004-11-15 Millions of job hunters and employers are frustrated Why aren

t they working together more effectively Because employers have changed the job search playing field and too many candidates are using yesterday s strategies Do you want the key to the best jobs with the best employers It s time to play offense instead of defense Competency Based Resumes shows today s job candidates a new more targeted way to write resumes to get them back on the same playing field with the best employers and improve their odds of winning the job they want The system an employer uses when filling jobs has changed significantly in the past few years and it is still evolving Rather than simply looking at an applicant s past jobs companies are instead looking at candidate s experiences in certain key areas including measurable work habits and the personal skills known as competencies used to achieve objectives at work Competency Based Resumes offers you a new and effective way to create resumes that emphasizes the knowledge skills and abilities that you have and employers need Many sophisticated U S and international organizations are using competency based systems to recruit interview select and promote Corporations such as American Express Coca Cola Sears and MetLife are all looking for specific competencies Creating your own competency based resume will Confirm to the employer that you have the expertise or competencies they are looking for Improve your chances of being selected for interviews for the position you want Help you to be perceived as being more competitive Enable you to explain sticky areas in your background in a more positive way Most applicants do not know how to apply for jobs based on this new dynamic Few candidates write their resumes so their critical competencies are obvious Competency Based Resumes will move your resume to the top of the pile giving you the edge you need in any job market no matter how competitive
