**Your Identity in the Trinity** Sean Cole, 2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God's glory declare God's gospel and disciple for God's Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work
