Through The Shopping Glass A Century Of New York Christmas Windows:

Through the Shopping Glass Sheryll Bellman, 2000 With a mixture of archival black and white and color photography this book captures all the important New York windows of Christmas past The special format includes a die cut real cloth case and four special die cut pages with acetate to capture the feeling of gazing through an actual window 125 photos 90 in color

The Professionalization of Window Display in Britain, 1919-1939 Kerry Meakin, 2024-09-05 This book provides the first comprehensive history of window display as a practice and profession in Britain during the dynamic period of 1919 to 1939 In recent decades the disciplines of retail history business history design and cultural history have contributed to the study of department stores and other types of shops However these studies have only made passing references to window display and its role in retail society and culture Kerry Meakin investigates the conditions that enabled window display to become a professional practice during the interwar period exploring the shift in display styles developments within education and training and the international influence on methods and techniques Piecing together the evidence visual and written about people events organisations exhibitions and debates Meakin provides a critical examination of this vital period of design history highlighting major display designers and artists The book reveals the modernist aesthetic developments that influenced high street displays and how they introduced passers by to modern art movements

Christmas Tara Moore, 2014-09-15 Black Friday The War on Christmas Miracle on 34th Street and Elf From shopping malls and Fox News to movie theaters Christmas no longer solely celebrates to the birth of Christ Considering the holiday in its global context Christmas journeys from its historical origins to its modern incarnation as a global commercial event stopping along the way to look at the controversies and traditions of the celebratory day Delving into the long story of this unifying but also divisive holiday Tara Moore describes the evolution of Christmas and the deep traditions that bind a culture to its version of it She probes the debates that have long accompanied the season from questions of the actual date of Christ's birth to frictions between the sacred and the secular and discusses the characters associated with the holiday's celebration including Saint Nicholas the Magi Scrooge and Krampus She also explores how customs such as Christmas trees feasting and gift giving first emerged and became central facets of the holiday while also examining how Christmas has been portrayed in culture from the literary works of Charles Dickens to the yearly bout of holiday films television specials traditional carols and modern tracks Ultimately Moore reveals Christmas's longevity has depended on its ability to evolve Packed with illustrations Christmas is a fascinating look at the holiday we only think we know
