

"Of course I'm very sorry, but how could I know you were in the drawer?"

Wendy was not listening to him. "O Peter," she cried, "if she would only stand still and let me see her!"

"They hardly ever stand still," he said, but for one moment Wendy saw the romantic figure come to rest on the cuckoo clock. "O the lovely!" she cried, though Tink's face was still distorted with passion.

"Tink," said Peter amiably, "this lady says she wishes you were her fairy."

Tinker Bell answered insolently.

"What does she say, Peter?"

He had to translate. "She is not very polite. She says you are a great ugly girl, and that she is my fairy."

He tried to argue with Tink. "You know you can't be my fairy, Tink, because I am an gentleman and you are a lady."

To this Tink replied in these words, "You silly ass," and disappeared into the bathroom. "She is quite a common fairy," Peter explained apologetically, "she is called Tinker Bell because she mends the pots and kettles."

They were together in the armchair by this time, and Wendy plied him with more questions.

"If you don't live in Kensington Gardens now?"

"Sometimes I do still."

"But where do you live mostly now?"

"With the lost boys."

"Who are they?"

"They are the children who fall out of their perambulators when the nurse is looking the other way. If they are not claimed in seven days they are sent far away to the Neverland to defray expenses. I'm captain."

"What fun it must be!"

"Yes," said cunning Peter, "but we are rather lonely. You see we have no female companionship."

"Are none of the others girls?"

"Oh, no; girls, you know, are much too clever to fall out of their prams."

This flattered Wendy immensely. "I think," she said, "it is perfectly lovely the way you talk about girls; John there just despises us."

For reply Peter rose and kicked John out of bed, blankets and all, one kick. This seemed to Wendy rather forward for a first meeting.

Monologues--women 2 Robert Emerson, Jane Grumbach, 1982 Book Description Fifty speeches from the contemporary theatre for women. **Nature and Necessity** Tariq Goddard, 2017-07-18 Even though they were mother and daughter they were known mostly as the sisters. It was a union that would lead them both into lives they wished they had not had. For thirty five years two women frighten each other through the fading twilight of the last century their existence an unacknowledged tragedy of manners. Confusing their duty to one another for the feelings they're too busy to mention their desire for modest social success ends by asphyxiating whatever lies within its grasp. From the art galleries of Manhattan Island to the pubs of the North Yorkshire Moors *Nature and Necessity* is a wild reimagining of the nineteenth century realist novel a story of siblings battling for survival and supremacy a war story without armies and a warning that even the most promising and prosperous of lives can be crushed by the fear of uttering the confession I love you. [The Pathology of Desire in Daphne du Maurier's Short Stories](#) Setara Pracha, 2023-01-09 Following a resurgence of interest in Daphne du Maurier's writing *The Pathology of Desire in Daphne du Maurier's Short Stories* offers an overview of all her collections and a detailed reading of nine stories. These contain recurrent references to the incomplete or impaired human form and are best read through a corporeal lens. The criticism illustrates her importance as a cultural commentator fascinated by the results of frustrated human desire and includes a synopsis of the published collections and the stories within them to give the reader a sense of the variety of the overarching themes and the persistent force of corporeality in the stories. Du Maurier is well known as a novelist but her short fiction is pivotal to understanding her position and influence as a writer. She rewrites fairytales and foregrounds female violence long before it became a cultural trend.
