## **Tweetable Leadership:**

**Tweetable Leadership** Jim L. Wideman, 2015-07-12 These two seem at first glance to not go together but the truth is they really do Tweetable Leadership is a collection of more than 500 tweetable truths that are taken from Jim Wideman's books, blogs and teachings that will help jumpstart your thinking and learning so you can apply them in your life. At the end of every chapter is a collection of some of Jim's best thoughts on practical leadership topics designed with just one purpose to help you become a better leader. These tweets aren't just suitable for posting; they're suitable for living. **The Tweetable**

**Pope** Michael J. O'Loughlin, 2015-09-08 Boston Globe journalist and Catholic commentator Michael O'Loughlin opens a wonderful window into the heart and revolutionary mission of Pope Francis by examining his extensive and revelatory use of social media published to coincide with the pontiff's visit to the United States in September 2015. Michael O'Loughlin uses Pope Francis's almost daily tweets to his 21 million followers to explain why this pope has captured the world's imagination and to explore his strategy and vision for the Catholic Church. Grouped by the Pope's most pressing concerns: forgiveness, mercy, injustice, poverty, war, joy, the environment, and more. The Tweetable Pope uses Francis's pithy 140-character or fewer missives as a prism to view the biographical, historical, and spiritual context of his messages and how each is part of a larger vision. O'Loughlin contends that these seemingly simple communications provide a direct line to the Pope's heart, illuminating a peaceful, loving, and courageous visionary committed to restoring the church to the original Christian tenets of its founder, Jesus Christ: love, mercy, grace, and compassion, and reshaping it as a force for change to help the most needy. A thoughtful and enlightening examination of how the pope is using this exciting and fascinating new medium to communicate directly to his flock. The Tweetable Pope is an inspiring and moving testimony of how we too can be more centered on what matters most to God. **The Language of Leadership**

Joel Schwartzberg, 2021-07-13 Convey the essence of leadership with every communication. Everything you communicate has the power to secure or sabotage your impression. But while you may be an empathic, visionary, responsive, inspiring, authentic, supportive, and humble leader, the lasting impact of those qualities hinges on your ability to communicate them effectively in words and expressions. Drawing on his decades of experience as a presentation coach, executive speechwriter, and national champion public speaker, Joel Schwartzberg offers unique mindsets, actionable tactics, and diverse examples to help you leverage the most powerful leadership tool you have: your voice. Whether you're giving speeches, telling stories, sending emails, posting messages, recording videos, or running Zoom meetings, these are essential practices for establishing authority and engaging your audience. The Language of Leadership will show you how to inspire, not merely inform; communicate with purpose and power, and sell, not just share your most important ideas.

*Tweetable Pope* Michael O'Loughlin, 2016-03-18 How do you reinvigorate an institution that prides itself on preserving two thousand years of history That is the challenge Jorge Mario Bergoglio faced when he became Pope Francis in March 2013 From the beginning with his commitment to remember the poor Francis embarked on a mission to rebrand the Church so that it better reflected its founder Jesus Christ instead of preserving institutional power and prestige Amid surprising pronouncements and reforms and a humble and humorous approach to his office Francis's most surprising strategy may be his decision to leverage a modern innovation that his predecessor Pope Benedict XVI had begun to use a Twitter account with which for the first time in history the pope can communicate directly with his global flock With more than 21 million followers reading Tweets in 9 languages Francis regularly posts his 140 character or less sermons a few times each week The Boston Globe and Crux journalist Michael O Loughlin argues that Pope Francis's social media output reveals the secret to his popularity and provides a window into his priorities passions and exciting and revolutionary vision for the Church With chapters on the primary themes used in Francis's Tweets the poor forgiveness immigration youth mercy joy even sports and more O Loughlin explains the biographical and historical context for what the pope writes as well the spirituality these posts embody Surprisingly O Loughlin discovers that by following these 140 character sermons we not only better understand the pope's revolutionary agenda but can also be inspired to be better Christians
