**Rashi's Commentary on Psalms** Mayer I. Gruber, 2007-10-10 In 2004 Mayer Gruber's landmark Rashi's Commentary on Psalms made one of the 11th century scholar's most important works accessible to a larger audience for the first time. The JPS paperback edition of this exceptional volume includes the complete original Hebrew text and acclaimed linguist Mayer Gruber's contemporary English translation and supercommentary. Fully annotated by Gruber, Rashi's Commentary on Psalms places Rashi, the most influential Hebrew biblical commentator of all time, in the larger context of biblical exegesis. Gruber identifies Rashi's sources, pinpoints the exegetical questions to which Rashi responds, defines the nuances of Rashi's terminology, and guides the reader to use the English translation as a tool to access the original Hebrew text. Gruber's extensive introduction takes a critical look at Rashi and his enduring legacy.

**Isaac On Jewish and Christian Altars: Polemic and Exegesis in Rashi and the Glossa Ordinaria** Devorah Schoenfeld, 2013 Rashi's commentary and the Glossa Ordinaria both developed in the late eleventh and early twelfth century with no known contact between them. Nevertheless, they shared a way of reading text that shaped their interpretations of the near sacrifice of Isaac. This work compares them both with each other and their respective sources to show their similarity.
